To assure that your Full Board submission will be reviewed at a meeting, please submit all your paperwork at least 5 days in advance of the meeting date to irb@tamuct.edu. Protocols submitted as Exempt or Expedited may not need to be considered at a Full Board meeting and will be evaluated as quickly as possible. Forms are available on the Office of Research's webpage (<https://www.tamuct.edu/research/index.html>); note the instructions for different browsers. The IRB webpage has information on submitting the protocol form and related documents. The IRB Handbook is also on that same webpage and provides information to answer most of your questions; note that the Handbook is being updated this year and some information may be changing. Help is also available from the Office of Research in Founder's Hall 418 (email Walter Murphy at murphyw@tamuct.edu) or by contacting Michelle Dietert, Chair of the IRB, at irb@tamuct.edu or dietert1@tamuct.edu.

Note that the Protocol form and the Consent/Assent forms have been updated to address changes to the federal government's Common Rule. Make sure the forms you use for your application are marked "Updated 01-21-2019".
