Dear Dr. Taylor:

Thank you for your letter of September 5, 2012, responding to my letter of May 4, 2011, in which I had asked further questions about the Master of Science in Accounting degree program which began fall term 2011.

Four of the Accounting faculty hold terminal degrees in the discipline; a new position was added in 2011, in anticipation of the degree program's implementation. Thirteen new courses were added to the curriculum for the program. Key databases to support the program were added to the library's holdings. No new courses were required in supporting fields.

**Since the Master of Science in Accounting does not represent a significant departure from your approved curriculum, we accept the late notification and request no additional information from you.**

Best regards,

Belle S. Wheelan, Ph.D.  
President
