

October 4, 2018

Dr. Jeffrey L. Kirk
Associate Provost and Associate Vice
President of Academic Affairs
Texas A&M University-Central Texas
1001 Leadership Place
Killeen, TX 76549

Dear Dr. Kirk:

This is a follow-up to our letter of September 27, 2018, regarding the reinstatement of an off-campus instructional site in Fort Hood, Texas, effective summer 2018. We erred in the name of the degree program to be offered at the site; this letter is a correction. We regret the error.

The site is:

Soldier Development Center
Building 33009
761st Tank Battalion Avenue
Fort Hood, TX 76544

The site received SACSCOC approval for closure in January 2018. However, the University has received a request from the Education Services Officer at Fort Hood to begin providing between 25-49% of the credits toward a Bachelor of Applied Arts and Sciences (B.A.A.S.) degree in Business Management. Therefore, the University wishes to reinstate the site. Please be aware, when the institution begins to offer 50% or more of the credits for at least one program at an off-campus instructional site, a prospectus for approval of the site should be submitted **prior** to reaching the 50% threshold at the site. As a reminder, the 50% threshold requiring approval applies to any program offered by the institution; i.e., certificate, diploma, and degree programs. The due dates for submission of a prospectus are:

- January 1 for sites reaching the 50% threshold as of July 1 of the current year *or*
- July 1 for sites reaching the 50% threshold as of January 1 of the following year.

The required elements and submission dates for a prospectus may be found in Appendix B of the *Substantive Change for SACSCOC Accredited Institutions* policy available on our website, www.sacscoc.org. Should you need assistance, please contact Dr. Crystal A. Baird at 404-679-4501, ext. 4586, or via email at cbaird@sacscoc.org.
