Rule Statement

Texas A&M University-Central Texas (A&M-Central Texas) is committed to providing a safe and secure environment for the A&M-Central Texas community and its guests.

On the effective date of August 1, 2016, SB 11 (Act) generally authorizes a handgun license holder to carry a concealed handgun on the campus of an institution of higher education, subject to an institution’s rules adopted in accordance with the Act.

In compliance with the provisions of the act, an institution may create a rule that prohibits concealed carry from specific campus areas or activities as long as the rule does not generally prohibit or have the effect of generally prohibiting concealed carry of handguns by license holders.

A&M-Central Texas has consequently elected to designate two campus areas where the concealed carry of handguns by license holders will be prohibited. These areas are the university’s Counseling Center, including the co-located Community Counseling and Family Therapy Center, and the university’s Testing Center (during the administration of standardized exams).

Reason for Rule

This rule is intended to affirm the intent of A&M-Central Texas to comply with all provisions of SB 11 while justifying its designation of the university’s Counseling Center, including the co-located Community Counseling and Family Therapy Center, and the university’s Testing Center (during the administration of standardized exams) as campus areas where the concealed carry of handguns by license holders will be prohibited.

Procedures and Responsibilities

1. GENERAL

   1.1. This rule applies to all employees, students, persons conducting business, or individuals visiting the A&M-Central Texas campus.
1.2. The university president established this rule after consulting with students, staff, and faculty of A&M-Central Texas about the nature of the student population, specific safety considerations, and the uniqueness of the campus environment. This rule was reviewed by the system board of regents as required by law.

1.3. A handgun license holder under Chapter 411, Texas Government Code, may carry a concealed handgun on or about the license holder’s person while the license holder is on the campus of A&M-Central Texas or an A&M-Central Texas vehicle, unless prohibited by state or federal law, or this rule. The open carrying of a handgun on campus is prohibited. Licensed peace officers are authorized by law to carry firearms at all times.

1.4. A&M-Central Texas enforces state law regulating firearms on campus, and that enforcement occurs in two ways. First, university police or other applicable law enforcement agencies will investigate and take appropriate action, including referral for criminal prosecution when violations occur. Second, A&M-Central Texas will consider any violation of state law regulating firearms to be a violation of university rules. Accordingly, such a violation is subject to disciplinary action under rules applicable to its students, faculty, and staff.
