

Principal Investigator Council (PIC)

Committee Charge: The Principal Investigator Council (PIC) at Texas A&M University-Central Texas was established to represent the interests of Principal Investigators (PIs) across the university's research community. The council is dedicated to continued improvement of the research environment for students, faculty, and staff by working collaboratively with the Division of Research and Innovation. It aims to foster an effective and efficient research process with the goal of achieving recognition and competitiveness in research.

In support of University Strategic Plan strategy(ies): Academic Excellence

Reports to: Associate VP of Research and Innovation

Commitment: Meet monthly as needed. This committee meets during the 9-month academic year.

Membership term: 2 years, staggered rotation.
