DESIGNED WITH YOU IN MIND

Career opportunities are unique to each student. Some students want career advancement, others want to change careers, and some want to attend graduate school. Whatever your goals, the BAAS in Criminal Justice can help you get there with an individualized degree plan. You will graduate with skills and knowledge that will equip you to compete in today's ever-changing workplace.

SUCCEED HERE

Real-world Marketable Skills

Our students benefit from small class environments and first-class resources. The BAAS in Criminal Justice program was built with student flexibility in mind and **can be completed 100% online.**

Our program challenges students within a supportive environment, empowering them to explore interests and achieve their educational goals. The BAAS in Criminal Justice program is staffed with highly qualified faculty members who have as much real-world experience in the criminal justice field as they do in teaching and research.
