## NUMBERS DON'T LIE

The numbers are clear: a BBA in Accounting is a degree that will never lose its currency. According to a recent Texas Workforce Report, accounting-related jobs are expected to increase 22.5% percent over the next 10 years. Whether you are planning on pursuing further graduate work, sitting for the CPA exam, or seeking immediate entry into the workforce, we will help you build the foundation you need. The process is simple: you will complete a range of general and specialized courses that include everything from the principles of accounting to business law and international economics.

## A HISTORY OF LOOKING FORWARD

Since 1971, TAMUCT has progressed from its humble beginnings as American Technological University to become a shining star in The Texas A&M University System. As a member of one of the largest higher education systems in the nation, we have access to extensive resources and support for our students.

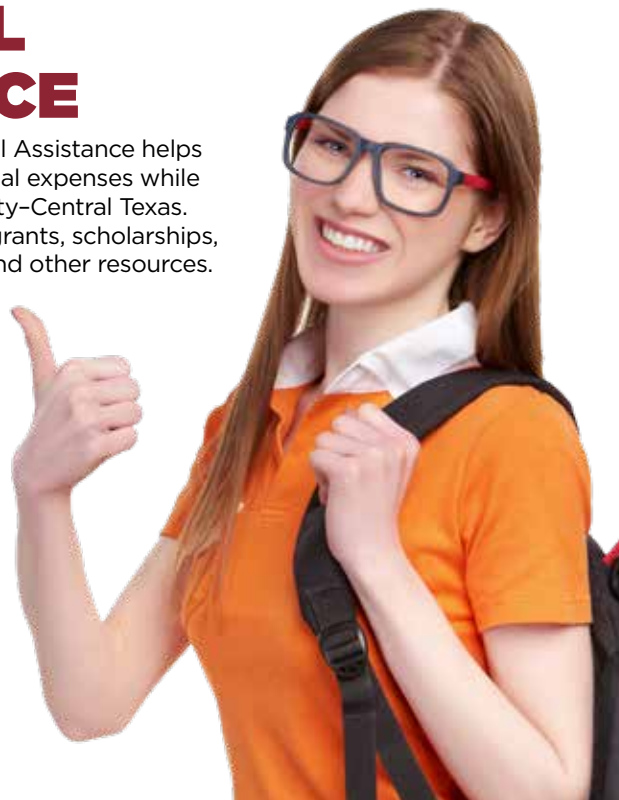

## FINANCIAL ASSISTANCE

The office of Student Financial Assistance helps students meet their educational expenses while attending Texas A&M University-Central Texas. Support is provided through grants, scholarships, student employment, loans, and other resources. Student Financial Assistance staff members are ready to assist with the Free Application for Federal Student Aid.

Additionally, A&M-Central Texas is approved to participate in federal and state Veteran education benefit programs and Military tuition assistance programs.

Visit [tamuct.edu/bba-acct](http://tamuct.edu/bba-acct) for more information.

## OUTCOMES COME FIRST

Our program equips students with the skills essential for success in the field of accounting. From knowledge of core business skills, to the application of Generally Accepted Auditing Standards, to improvement of written and oral communication skills, if there is a competency you need for success in the accounting field, we will help you find it.
