Bachelor of Science
CRIMINAL JUSTICE

HOME OF THE *WARRIORS*

WHY A BACHELOR OF SCIENCE IN CRIMINAL JUSTICE AT A&M-CENTRAL TEXAS?

Our program challenges students within a supportive environment, empowering them to explore interests and achieve their educational goals. The Criminal Justice program is facilitated by highly qualified faculty members who have as much real-world experience in the criminal justice field as they do in teaching and research. A Bachelor of Science in Criminal Justice offers students a competitive edge in the job market. Students can explore career options through coursework and internships, preparing them for professional careers and advancement opportunities.

CHOOSE YOUR PATH

The curriculum is flexible so students can pursue coursework in a wide variety of criminal justice subjects.

Lay the foundation

- Criminology
- Delinquency
- Race, crime, and justice
- Research methods
- Applied ethics

Choose your focus

- Community corrections
- Policing
- Forensics
- Juvenile justice
- Media and crime
- Homeland security

STUDENT TESTIMONIAL

“The CJ Program means a lot to me. I always wanted to be in law enforcement because of my father. I am pursuing a career in forensics. TAMUCT's environment is exciting and very informative. The professors make the classes enjoyable. I would like to thank each and every one of the professors and faculty for the knowledge and help along the way.”

Dana White,
current Bachelor of Science
in Criminal Justice student

SUCCEED HERE

Our students benefit from small class environments and first-class resources. The Bachelor of Criminal Justice program was built with student flexibility in mind and **can be earned 100% online**.

Real World Experience

Our students have opportunities to earn practical work experience through internships where they network, develop skills, and explore a career path while earning course credit.
