MS in Accounting
On-campus/Online
ONLY 30 Hours

IT'S ALL STARTING TO ADD UP
The next phase of your education begins now.
By pursuing an advanced course of study in accounting, you'll actively prepare to pass the CPA exam. More importantly, you'll do it as part of a professional, flexible learning environment that challenges and supports you.

OUTCOMES COME FIRST YOU WILL:

- Know how to apply the Generally Accepted Accounting Principles, Generally Accepted Auditing Standards, and Internal Revenue Code
- Show critical thinking by examining and evaluating alternative solutions to accounting issues
- Demonstrate the ability to communicate technical content clearly and concisely
- Display aptitude for critically evaluating ethical issues in accounting

MORE THAN JUST NUMBERS AND SPREADSHEETS

An MS in Accounting from Texas A&M University - Central Texas puts you in position to land a high-paying, rewarding job in an unlimited array of industries. Or you may choose to open your own private practice. Either way, you'll need to know more than just how to crunch numbers.

Visit tamuct.edu/msaccount for more information.

THE POWER OF THE PROGRAM

- Think Critically**
Research-based learning curriculum designed to enhance problem-solving skills
- Engage Effectively**
Collaborative student-faculty culture to facilitate engaged learning opportunities
- Prepare Successfully**
Strong career-focused training to ensure success on the CPA exam

FAST TRACK YOUR DEGREE

Do it in 12 Months
If you already have an undergraduate degree in accounting, you can combine face-to-face and online courses at Texas A&M - Central Texas and complete your MS Accounting degree in one year.

Or Take a Little Longer
Enroll exclusively in face-to-face courses or choose to go only online and earn your degree in two full years.

No undergraduate degree in Accounting?
No problem. We recommend taking 24 credit hours of leveling coursework while pursuing your MS Accounting degree to be better prepared for the program and CPA exam.

- 150 total semester credit hours of college credit. Check!
- 27 semester credit hours of upper-level accounting courses. Check!
- 3-hour ethics course and 2-hour research and analysis requirements. Check!

STUDENT TESTIMONIAL

"I recently graduated from Texas A&M University-Central Texas with a BBA in Accounting. After graduation I entered graduate school pursuing an MS in Accounting. The program will ensure that I meet the requirements to sit for the CPA exam. The accounting course schedule allows me to plan out my courses up to graduation. The accounting department is a small dedicated group of professors who are all extremely knowledgeable and willing to help their students even if it falls outside of the class they are teaching. Being able to run ideas by other professors who specialize in a specific area of accounting is very valuable when conducting research papers. I am proud to be a Warrior and I am thankful to be part of the Accounting department."

-Shelby E Torres, Class of 2020

THE SECRET TO SUCCESS? A MASTER'S DEGREE

Dedicated to improving the lives of students through a variety of professional master's programs, the A&M-Central Texas Graduate School combines discipline-specific coursework with traditional, marketable workplace skills. Our flexible programs give students the knowledge, skills, and confidence they need to increase their overall earning potential, advance in their current career or start a brand new one.
