

General Outline of Course Rotations for the M.A. in History

Students should meet with the M.A. History Program Coordinator to discuss electives and degree progress.

Required Courses—Each course is offered at least once every two years

HIST 5300 Historical Inquiry

HIST 5380 Historiography and Historical Methods

Elective Courses— Fall and Spring Semesters

Usually, there will be two to three electives offered that are not repeated within at least a two-year cycle.

Electives Summer Semester

Elective courses are offered in the summer based on student interest and projected enrollment. Courses may not be offered in the summer. Students should meet with the MA History Program Coordinator to discuss degree planning and interest in summer courses.
