

TEXAS A&M
UNIVERSITY
CENTRAL TEXAS

BACHELOR OF SCIENCE PSYCHOLOGY

2020-2021 TRANSFER GUIDE

PROGRAM DESCRIPTION

The Bachelor of Science in Psychology at Texas A&M University-Central Texas offers a variety of courses in clinical work, research, applied psychology, and psychological theory. Program faculty are researchers who are committed to excellence in education and have diverse backgrounds reflective of the broad scope of the field of psychology (e.g., abnormal, cognitive, social, and developmental psychology).

Psychology majors have many opportunities to conduct research with faculty members exploring a range of topics including program evaluation, responses to trauma, exam anxiety, online learning, and more.

The majority of our graduates go on to further study in psychology and are accepted into a graduate program. Other graduates from our program have found jobs or advanced in their existing careers at human services agencies within the Central Texas region.

CAREER OPPORTUNITIES

Career opportunities for graduates with a degree in Psychology include:

- Research Scientist
- Clinical Psychologist
- Clinical Mental Health Counselor
- School Counselor
- Marriage and Family Therapist
- Policy Researcher
- Data Analyst

ADMISSION PROCESS

1. Complete the undergraduate transfer application at applytexas.org.
2. Pay the non-refundable application fee or attend a transfer day for an application fee voucher.
3. Submit final official transcript(s) from ALL college level institutions previously attended.

Visit our program page online for more information.
