Office of Student Financial Assistance Financial Aid Consortium Agreement-Central Texas College

The Financial Aid Consortium Agreement is intended to assist students who enroll in less than 12 semester credit hours at **Texas A&M University – Central Texas (TAMUCT)** and concurrently enroll in at least 3 semester credit hours at a partnering host institution during the same academic semester. Once the agreement is processed, we may recognize semester credit hours taken at a partnering institution to meet financial aid enrollment requirements at TAMUCT.

- **Texas A&M University-Central Texas** is the home institution for the purpose of processing and disbursing financial aid.
- The partnering institution is the host institution and cannot provide financial aid for the semester specified in the Financial Aid Consortium Agreement.

Deadline: Completed consortium agreements must be submitted to the Office of Student Financial Assistance prior to the census date (12th class day).

Important Notes

- Cost of Attendance (COA) may decrease as a result of submitting a Consortium Agreement and you may be asked to return a portion of my student loan and/or other aid.
- If you do not plan to enroll as a full-time student during the academic year, please complete an **Enrollment Change Form** and submit to our office prior to the disbursement of your aid. If you are not enrolled at least full-time on the census date for the semester (e.g., 12th day of classes for fall and spring), but did not indicate as such via the Enrollment Change Form, your financial aid cost of attendance will be reduced and prorated based on your actual enrollment. Such a reduction may result in your becoming ineligible for financial aid that you have already received. As a result, you will be required, as set forth by federal regulations, to repay the aid for which you are no longer eligible.
- TAMUCT Office of Student Financial Assistance will be verifying my enrollment with the Host Institution and if your enrollment is different than the enrollment stated on the Consortium Agreement, the agreement will be voided, the financial aid can be reversed, and you will be responsible for any fees due to the university.
- TAMUCT must be notified within 2 business days if there is a change in enrollment status (i.e., drop/add courses, withdrawal, course cancellations, etc.). I will be responsible for any refunds or repayments that might be required if I drop or withdraw from class.
- You must request an OFFICIAL transcript from the Host institution to be sent to TAMUCT immediately after completion of courses. A registration and financial aid hold will be placed on your TAMUCT student record for the following semester until the official transcript is received and processed by the TAMUCT Records Office.
- Consortium agreements are only available during the Fall and Spring semesters and must be completed each semester you enroll in the Host institution courses required for your TAMUCT degree.
- You must submit an updated consortium agreement listing ALL courses, if you add a class after submitting your consortium agreement.
