**Notes/Comments**

The following Pathway Plan is suggested for full-time students. A part-time student will need more time to complete this pathway. For assistance with pathway planning, students should schedule an appointment with an academic advisor. This guide is for planning and visualization purposes only.

1. All first-time Austin Community College (ACC) students with fewer than 12 SCH of successful college credit must take POFT 1171 in their first semester at ACC. All other students must take KINE 1107 any 1 credit Kinesiology course.
2. Not all Degree Requirement courses are completed with the AAS. Students will need to complete these remaining lower-level courses at the community college. Please consult a TAMUCT financial aid counselor regarding the consortium agreement process.
3. For the Occupational Specialization credits, students must have a minimum of 12 semester credit hours consisting of technical, vocational, and military training and may include academic electives to complete the maximum allowable 33 semester credit hours.
