Notes/Comments

The following Pathway Plan is suggested for full-time students. A part-time student will need more time to complete this pathway. For assistance with pathway planning, students should schedule an appointment with an academic advisor. This guide is for planning and visualization purposes only.

1. All first-time Austin Community College (ACC) students with fewer than 12 SCH of successful college credit must take the EDUC 1300 course or the HUMA 1301 topic course Great Questions Seminar in their first semester at ACC. All other students may select either EDUC 1300, HUMA 1301 topic course Great Questions Seminar, or a SPCH course from the Component Area Option section of the Core Curriculum Course List. SPCH 1315 is recommended. The same course cannot be used to satisfy more than one subject area.
2. For the Occupational Specialization credits, students must have a minimum of 12 semester credit hours consisting of technical, vocational, and military training and may include academic electives to complete the maximum allowable 33 semester credit hours.
3. Not all Degree Requirement courses are completed with the AAS. Students will need to complete these remaining lower-level courses at the community college. Please consult a TAMUCT financial aid counselor regarding the consortium agreement process.
