| Subtotal | | | | | 45 |
| Total | | | | | 120 |

Notes/Comments

The following Pathway Plan is suggested for full-time students. A part-time student will need more time to complete this pathway. For assistance with pathway planning, students should schedule an appointment with an academic advisor. This guide is for planning and visualization purposes only.

1. All first-time Austin Community College (ACC) students with fewer than 12 SCH of successful college credit must take the EDUC 1300 or HUMA 1301 topic Great Questions Seminar course in their first semester at ACC. All other students may select either EDUC 1300, HUMA 1301, SPCH 1311, or SPCH 1315. See an advisor or a full-time faculty member in Economics for more information.
2. See a full-time ACC Economics Faculty member for advice on which course would be most appropriate for your goals. Life and Physical Sciences courses must include a lab.
3. Not all Degree Requirement courses are completed with the AA. Students will need to complete these remaining lower-level courses at the community college. Please consult a TAMUCT financial aid counselor regarding the consortium agreement process.
4. Any-level electives may be taken at either at Texas A&M University-Central Texas or another institution. Please consult an academic advisor prior to selecting any-level electives.
5. Lower-Level Electives, Any Level Electives, Component Area Options, or Degree Requirements (DEG REQ) may consist of the FOS courses: GOVT 2304, GOVT 2305, GOVT 2306, MATH 1342.
