Notes/Comments

The following Pathway Plan is suggested for full-time students. A part-time student will need more time to complete this pathway. For assistance with pathway planning, students should schedule an appointment with an academic advisor. This guide is for planning and visualization purposes only.

1. All first time Austin Community College (ACC) students with fewer than 12 SCH of successful college credit must take the EDUC 1300 course in their first semester at ACC. All other students may select either EDUC 1300 or a speech course from the Component Area Option section of the Core Curriculum Course List. See a Music department advisor or a full-time faculty member for more information.
2. Not all Degree Requirement courses are completed with the AA. Students will need to complete these remaining lower-level courses at the community college. Please consult a TAMUCT financial aid counselor regarding the consortium agreement process.
3. Upper-level electives may consist of up to 6 credits of Fine Arts electives with approval of the advisor in place of MUSI upper-level electives.
4. Summer semesters may be required to meet degree requirements throughout the program.
