Notes/Comments

The following Pathway Plan is suggested for full-time students. A part-time student will need more time to complete this pathway. For assistance with pathway planning, students should schedule an appointment with an academic advisor. This guide is for planning and visualization purposes only.

1. All first time Austin Community College (ACC) students with fewer than 12 SCH of successful college credit must take the EDUC 1300 course in their first semester at ACC. All other students may select either EDUC 1300 or a speech course from the Component Area Option section of the Core Curriculum Course List. See an advisor or a full-time faculty member in Psychology for more information.
2. Select from HIST 1301, HIST 2301, HIST 2327, or HIST 2381. HIST 2301 and HIST 2381 may only be taken once.
3. Select Psychology Elective from PSYC 2306, PSYC 2308, PSYC 2315, PSYC 2316, or PSYC 2389.
4. Not all Degree Requirement courses are completed with the AA. Students will need to complete these remaining lower-level courses at the community college. Please consult a TAMUCT financial aid counselor regarding the consortium agreement process.
5. Any-level electives may be taken at either at Texas A&M University-Central Texas or another institution. Please consult an academic advisor prior to selecting any-level electives.
6. Lower-Level Electives, Any Level Electives or Degree Requirements (DEG REQ) may be the FOS courses: PSYC 2301, PSYC 2314, PSYC 2317, PSYC 2319, PSYC 2320, PSYC 2330.
