**Notes/Comments**

Texas A&M-Central Texas is an upper-level institution offering 3xxx-5xxx level courses. All 1xxx-2xxx level courses must be completed at a different institution.

For help with pathway planning, student should speak with an [academic advisor](#). This guide is intended for planning and visualization purposes only.

1. Please meet with a TC advisor to talk about substituting degree courses for your transfer to TAMUCT.
2. Not all bachelor's degree requirement courses are completed with the AA. Students will need to complete these remaining lower-level courses at the community college. Please consult a TAMUCT financial aid counselor regarding the consortium agreement process.
3. A summer semester may be required to meet degree requirements and the coursework which leads up to the field placement courses.
