Notes/Comments	
<p>TAMUCT offers upper-level courses (those labeled 3XXX-5XXX), while all lower-level courses (those labeled 1XXX-2XXX) should be completed at Alamo. A minimum of 120 semester credit hours is required for all baccalaureate degrees. Pathways may exceed 120 semester credit hours, as certain courses required for the associate degree are transferable but not applicable to the baccalaureate degree. For help with pathway planning, please speak with an academic advisor or enrollment specialist. This pathway is intended for planning and visualization purposes and is subject to change.</p>	
<ol style="list-style-type: none"> This section has the following considerations: <ul style="list-style-type: none"> May apply conferred Applied Arts and Sciences (A.A.S.) or Certificate of Completion (C.C.) May consist of technical, vocational, or military credit (or a combination) No student will be considered for the BAAS who has less than 12 semester credit hours in the combination of technical, vocational, or military training (12 hours must be technical/vocational training if no military training) With the qualifying 12 semester credit hours, a student may include specified academic electives up to the maximum 36 semester credit hours. A maximum of 36 semester credit hours will be allowed. See the College of Business Administration's academic advisors for more information. The AAS does not fulfill all the lower-level courses required for the undergraduate degree. Students will need to complete the remaining lower-level courses at Alamo. Please discuss the consortium agreement procedure with a TAMUCT financial aid advisor. If a student passed MRKG 1311 as a part of their A.A.S. and received at least a B, one of the alternate MKTG courses listed should be taken. Otherwise, students should complete MKTG 3301. Please speak with an advisor. Other field of study course may be used to satisfy requirement. See Advisor to discuss the possible micro-credential options.
