Notes/Comments	
<p>TAMUCT offers upper-level courses (those labeled 3XXX-5XXX), while all lower-level courses (those labeled 1XXX-2XXX) should be completed at Alamo. A minimum of 120 semester credit hours is required for all baccalaureate degrees. Pathways may exceed 120 semester credit hours, as certain courses required for the associate degree are transferable but not applicable to the baccalaureate degree. For help with pathway planning, please speak with an <a href="#">academic advisor</a> or <a href="#">enrollment specialist</a>. <i>This pathway is intended for planning and visualization purposes and is subject to change.</i></p>	
1.	The AS does not fulfill all the lower-level courses required for the undergraduate degree. Students will need to complete the remaining lower-level courses at Alamo. Please discuss the consortium agreement procedure with a TAMUCT <a href="#">financial aid advisor</a> .
2.	The Bachelor of Science degree in Nursing has additional entry requirements separate from general admission to the university. Please visit the Nursing <a href="#">page</a> for more information.
