Notes/Comments							

TAMUCT offers upper-level courses (3xxx-5xxx labeled courses), all lower-level courses (1xxx-2xxx labeled courses) will need to be completed at MCC. A minimum of 120 semester credit hours is required for all baccalaureate degrees. Pathways may exceed 120 semester credit hours as some courses necessary for the associate degree are transferable but not applicable to the baccalaureate degree. For help with pathway planning, students should speak with an [academic advisor](#) or [enrollment specialist](#). This pathway is intended for planning and visualization purposes only.

1. The AA does not meet all the course requirements for the bachelor's degree. Students will need to complete the remaining lower-level courses at MCC. It is recommended to seek guidance from a [financial aid advisor](#) regarding the consortium agreement process.
2. Any-level electives may be taken at MCC or TAMUCT. It is advisable to consult with an [academic advisor](#) prior to selecting any-level electives.
3. Refer to the listings of [Minor](#) to choose the minor and the respective requirements for this degree.
