## Notes/Comments

TAMUCT offers upper-level courses (3xxx-5xxx labeled courses), all lower-level courses (1xxx-2xxx labeled courses) will need to be completed at TC. A minimum of 120 semester credit hours is required for all baccalaureate degrees. Pathways may exceed 120 semester credit hours as some courses necessary for the associate degree are transferable but not applicable to the baccalaureate degree. For help with pathway planning, students should speak with an [academic advisor](#) or [enrollment specialist](#). *This pathway is intended for planning and visualization purposes and is subject to change.*

- This section has the following considerations:
  - May apply conferred Applied Arts and Sciences (A.A.S.) or Certificate of Completion (C.C.)
  - May consist of technical, vocational, or military credit (or a combination)
  - No student will be considered for the BAAS who has less than 12 semester credit hours in the combination of technical, vocational, or military training (12 hours must be technical/vocational training if no military training)
  - With the qualifying 12 semester credit hours, a student may include specified academic electives up to the maximum 36 semester credit hours.
  - A maximum of 36 semester credit hours will be allowed.
  - See the College of Business Administration's academic advisors for more information.
- The AAS does not meet all the course requirements for the bachelor's degree. Students will need to complete the remaining lower-level courses at Temple College. It is recommended to seek guidance from a [financial aid advisor](#) regarding the consortium agreement process.
- Students may also fulfill this degree requirement by enrolling in BUSI 3311 at TAMUCT.
- If a student passed MRKG 1311 as a part of their A.A.S. and received at least a B, one of the alternate courses listed may be taken. Please speak with your advisor.
- Other field of study course may be used to satisfy requirement.
