Notes/Comments	
TAMUCT offers upper-level courses (3xxx-5xxx labeled courses), all lower-level courses (1xxx-2xxx labeled courses) will need to be completed at TC. A minimum of 120 semester credit hours is required for all baccalaureate degrees. Pathways may exceed 120 semester credit hours as some courses necessary for the associate degree are transferable but not applicable to the baccalaureate degree. For help with pathway planning, students should speak with an academic advisor or enrollment specialist . This pathway is intended for planning and visualization purposes and is subject to change..	
1. The AA does not meet all the course requirements for the bachelor's degree. Students will need to complete the remaining lower-level courses at Temple College. It is recommended to seek guidance from a financial aid advisor regarding the consortium agreement process.	
2. Students may also fulfill this degree requirement by enrolling in PSYC 3350, PSYC 4301 or PSYC 3311.
