| TAMUCT offers upper-level courses (3xxx-5xxx labeled courses), all lower-level courses (1xxx-2xxx labeled courses) will need to be completed at TC. A minimum of 120 semester credit hours is required for all baccalaureate degrees. Pathways may exceed 120 semester credit hours as some courses necessary for the associate degree are transferable but not applicable to the baccalaureate degree. For help with pathway planning, students should speak with an <a href="#">academic advisor</a> or <a href="#">enrollment specialist</a> . This pathway is intended for planning and visualization purposes and is subject to change. |                                                                                                                                                                                                                                                                                             |
