Notes/Comments

TAMUCT offers upper-level courses (3xxx-5xxx labeled courses), all lower-level courses (1xxx-2xxx labeled courses) will need to be completed at ACC. A minimum of 120 semester credit hours is required for all baccalaureate degrees. Pathways may exceed 120 semester credit hours as some courses necessary for the associate degree are transferable but not applicable to the baccalaureate degree. For help with pathway planning, please speak with an [academic advisor](#) or [enrollment specialist](#). *This pathway is intended for planning and visualization purposes and is subject to change.*

- The AA does not fulfill all the lower-level courses required for the undergraduate degree. Students will need to complete these remaining lower-level courses at ACC. Please discuss the consortium agreement procedure with a TAMUCT [financial aid advisor](#).
- Any-level electives may be taken at TAMUCT or at ACC. Please consult with an [academic advisor](#) prior to selecting any-level electives.
- If PSYC 2301 was taken within the AA degree, please take an additional 3 SCH of an any-level elective.
