### Notes/Comments

Texas A&M University - Central Texas only offers upper-level courses (3xxx-5xxx labeled courses), all lower-level courses (1xxx-2xxx labeled courses) will need to be completed at the transferring institution. For help with pathway planning, student should speak with an [academic advisor](#). *This pathway is intended for planning and visualization purposes only.*

1. Refer to the General Education Core Requirements [page](#) for more information on the CORE Requirement coursework.
2. Refer to Technical Specialization Credit [page](#) for more information.
3. These courses may be taken during the summer.
4. AVSC Upper-Level Electives are to be approved by a faculty advisor.
5. AVSC 3350 or AVSC 3321 may be substituted for MGMT 3350. See Advisor for approval.
6. Students can also fulfill this degree requirement by enrolling in CIS 3300 at Texas AM University - Central Texas.
7. The Federal Aviation Administration's test standard for all aviation-related courses is a minimum passing grade of 70%. All Aviation Science (AVSC) courses reflect that standard; a course grade below 70% is a course failure. This policy does not apply to management, marketing, and business courses taught through the College of Business Administration (COBA), from which several classes originate. Those classes have a passing grade of 60%.
