Milestone Course(s)

*** denotes Milestone Course(s).

A milestone course is a course that is critical for success in this program as determined by the Faculty of the Alamo Colleges District.

AS Approved Course Requirements

◦ denotes an Alamo Colleges District AS Approved Course Requirement

The Associate of Science (AS) is designed to align closely with the first half of a Bachelor of Science (BS) degree. Students should follow the pre-major AS to BS Transfer Advising Guide for the major and university selected. The Transfer Advising Guides are developed in conjunction with the senior institution to which the student plans to transfer.

To be awarded the AS degree at one of the colleges in the Alamo Colleges District, students must have **9 hours of AS Approved Course Requirements** not included in the 42 hours of Core Curriculum. Please check with your advisor for assistance.

Texas Transfer Framework: Field of Study Curriculum (FOSC) Information

Field of Study Curriculum (FOSC) is a set of courses that fulfill lower-division (freshman and sophomore) requirements for a specific major/degree plan in addition to the core curriculum. FOSCs are guaranteed to transfer to any public college or university in Texas.

The Fields of Study are now part of **Texas Direct**. What is Texas Direct? Texas Direct is the state's effort to articulate seamless degree pathways between two- and four-year institutions.

Students who complete the Texas Core Curriculum and Field of Study at any public two-year institution automatically qualify to receive an associate degree - the Texas Direct Transfer Degree. They are also qualified to transfer their courses as a block applied directly to their selected major.

For additional information, please visit: <https://www.highered.texas.gov/texas-direct/>

Texas Transfer Field of Study Curriculum for Psychology

§ denotes THECB Field of Study Curriculum Course

The Field of Study (FOS) curriculum for Psychology is for students who are seeking a Bachelor's degree with a major in Psychology including all Psychology specializations. The field of study curriculum has been approved by the Texas Higher Education Coordinating Board (THECB).

The Psychology FOS applies to the approved CIP Code (numerical codes corresponding to specific disciplines or subdisciplines) for the Revised Field of Study:

- 42.0101 - Psychology, General

Transfer of Credit

Community college courses may not transfer into TAMUCT as upper-division courses (3000-4000 level), even though TAMUCT may have an upper-division course with exactly the same name and description. Community college courses may not be used to fulfill the upper-division requirement for graduation at TAMUCT. However, the course may be used as a substitute for an upper-division course with an approved substitution form signed by the chair and dean.

Affordability

Texas A&M University-Central Texas is among the lowest cost public universities in the state and remains well below the state average for total charges. Students are not only able to take advantage of guaranteed tuition plans to help control the cost of their education, but A&M-Central Texas's Bachelor Bonus also caps tuition and mandatory fees at 12 semester credit hours. Learn more at <https://www.tamuct.edu/business-office/tuition-fees/>.

Texas Education Code § 54.014 specifies that resident undergraduate students who initially enrolled fall 1999 and later may be subject to a higher tuition rate for attempting excessive hours at any public institution of higher education while classified as a resident student for tuition purposes. For more information, please see <http://catalog.tamuct.edu/registration-records/funding-limit/>. Please note that the requirements regarding the hours used to calculate a student's eligibility for \$1,000 Tuition Rebate vary significantly from the requirements determining excessive hours, please see <http://catalog.tamuct.edu/registration-records/tuition-rebate/>.
