## Notes/Comments

Texas A&M-Central Texas is an upper-level institution offering 3xxx-5xxx level courses. All 1xxx-2xxx level courses must be completed at a different institution. For help with pathway planning, student should speak with an <u>academic advisor</u>. This guide is intended for planning and visualization purposes only.

- 1. Not all bachelor's degree requirement courses are completed with the AAS. Student will need to complete these remaining lower-level courses at the community college. Please consult a TAMUCT financial aid counselor regarding the consortium agreement process.
- 2. This section has the following considerations:
  - a. May apply conferred Applied Arts and Sciences (A.A.S.) or Certificate of Completion (C.C.)
  - b. May consist of technical, vocational, or military credit (or a combination)
  - c. No student will be considered for the BAAS who has less than 12 semester credit hours in the combination of technical, vocational, or military training (12 hours must be technical/vocational training if no military training)
  - d. With the qualifying 12 semester credit hours, a student may include specified academic electives up to the maximum 36 semester credit hours.
  - e. A maximum of 36 semester credit hours will be allowed
  - f. See the College of Business Administration's academic advisors for more information.
- 3. If student passed BMGT 1327 for their A.A.S. and received at least a B, MGMT 4325 may be taken.
- 4. Other field of study course may be used to satisfy requirement.
