Notes/Comments

Texas A&M University - Central Texas (TAMUCT) only offers upper-level courses (3xxx-5xxx labeled courses), all lower-level courses (1xxx-2xxx labeled courses) will need to be completed at Central Texas College (CTC). A minimum of 120 semester credit hours is required for all baccalaureate degrees. Pathways may exceed 120 semester credit hours as some courses necessary for the associate degree are transferable but not applicable to the baccalaureate degree. For help with pathway planning, students should speak with an academic advisor.

This section has the following considerations:

1.

- May apply conferred Applied Arts and Sciences (A.A.S.) or Certificate of Completion (C.C.) .
- May consist of technical, vocational, or military credit (or a combination)
- No student will be considered for the BAAS who has less than 12 semester credit hours in the combination of technical, vocational, or military training (12 hours must ٠ be technical/vocational training if no military training)
- With the qualifying 12 semester credit hours, a student may include specified academic electives up to a maximum of 36 semester credit hours.
- A maximum of 36 semester credit hours will be allowed.
- See the College of Business Administration's academic advisors for more information.
- The AAS does not fulfill all the lower-level courses required for the undergraduate degree. Students will need to complete these remaining lower-level courses at CTC. Please 2. discuss the consortium agreement procedure with a TAMUCT financial aid advisor.
- 3. If a student passed MRKG 1311 as a part of their A.A.S. and received at least a B, one of the alternate MKTG courses listed should be taken. Otherwise, students should complete MKTG 3301. Please speak with your advisor.
- 4. Other field of study courses may be used to satisfy requirements.
- Please see your advisor for information on recommended micro-credential course offerings. 5.
- 6. Students may fulfill this degree requirement by enrolling in BUSI 3311 at TAMUCT.
