Total					120

Notes/Comments

The following Pathway Plan is suggested for full-time students. A part-time student will need more time to complete this pathway. For assistance with pathway planning, students should schedule an appointment with an academic advisor. This guide is for planning and visualization purposes only.

1. All first time Austin Community College (ACC) students with fewer than 12 SCH of successful college credit must take EDUC 1300 in their first semester at ACC. All other students may select either EDUC 1300, HUMA 1301 topic Great Questions Seminar, or a SPCH course from the Component Area Option list of courses in the Core Curriculum. See an advisor or a full-time faculty member in Sociology/Social Work for more information.
2. Foreign language hours must be in the same language.
3. At least one Life and Physical Sciences course must include a lab component.
4. Select a course from the Component Area Option of the Core Curriculum Course List.
5. Not all Degree Requirement courses are completed with the AA. Students will need to complete these remaining lower-level courses at the community college. Please consult a TAMUCT financial aid counselor regarding the consortium agreement process.
6. Any-level electives may be taken at either at Texas A&M University-Central Texas or another institution. Please consult an academic advisor prior to selecting any-level electives.
7. Lower-Level Electives, Any Level Electives, Component Area Options, or Degree Requirements (DEG REQ) may consist of the FOS courses: SOCW 2361, SOCW 2362, SOCI 1306, MATH 1342 or PSYC 2317, SOCW 2389.
8. A summer semester may be required to meet degree requirements and the coursework which leads up to the field placement courses.
