The following Pathway Plan is suggested for full-time students. Part-time students will need more time to complete this pathway. For assistance with pathway planning, students should schedule an appointment with an academic advisor. This guide is for planning and visualization purposes only.

- Due to the nature of the AAS program, not all Texas Common Core courses are completed with the AAS. Student will need to complete these remaining lower-level courses at the community college. Please consult a TAMUCT financial aid counselor regarding the consortium agreement process.
- This section has the following considerations:
  - May apply conferred Applied Arts and Sciences (A.A.S.) or Certificate of Completion (C.C.)
  - May consist of technical, vocational, or military credit (or a combination)
  - No student will be considered for the BAAS who has less than 12 semester credit hours in the combination of technical, vocational, or military training (12 hours must be technical/vocational training if no military training)
  - With the qualifying 12 semester credit hours, a student may include specified academic electives up to the maximum 36 semester credit hours.
  - A maximum of 36 semester credit hours will be allowed
  - See the College of Business Administration's academic advisors for more information.
- If student passed BMGT 1327 for their A.A.S. and received at least a B, MGMT 4325 may be taken.
- Other field of study course may be used to satisfy requirement.

## Transfer Information

### Transfer of Credit & Student Benefits

**Transfer Central! Your affordable path to a high-quality bachelor's degree.**

[Join Transfer Central](#) and receive exclusive access to resources designed to help you complete your bachelor's degree on time and with less debt:
