

Institutional Review Board full board meeting dates/times

Fall 2023

All meetings will be on Webex unless otherwise noted

Monday, September 25	2:30 – 4:30 pm
Monday, October 30	9:00 – 11:00 am
Monday, November 27	2:30 – 4:30 pm

To assure that your Full Board submission will be reviewed at a meeting, please submit all your paperwork at least 5 days in advance of the meeting date to irb@tamuct.edu. Protocols submitted as Exempt or Expedited will probably not need to be considered at a Full Board meeting and will be evaluated as quickly as possible. Consult the Institutional Review Board page on the Office of Research webpage for information on how to submit the protocol form and related documents (<https://www.tamuct.edu/research/irb.html>). The IRB Handbook on that page should provide information to answer most of your questions; make sure to look at the information about the changes due to the new Common Rule. Help is also available by contacting the Chair of the IRB, Michelle Dietert, at irb@tamuct.edu or dietert1@tamuct.edu or from the head of the Human Research Protection Program, Walter Murphy, in Shoemakers Founder's Hall 418 or by email at murphyw@tamuct.edu.
