To assure that your submission will be reviewed at the meeting, please submit all your paperwork at least 5 days in advance of the meeting date to irb@tamuct.edu or anitha.chennamaneni@tamuct.edu. Protocols submitted as exempt or expedited may not need to be considered at a full board meeting and will be evaluated as quickly as possible. Consult the IRB portion of the Office of Research webpage for information on how to submit the protocol form and related documents (<https://www.tamuct.edu/research/irb.html>). The IRB Handbook on that page should provide information to answer most of your questions, but help is also available from the Office of Research in Founder's Hall 418 (email Walter Murphy at murphyw@tamuct.edu) or by contacting the Chair of the IRB at irb@tamuct.edu or anitha.chennamaneni@tamuct.edu.

Note that the Protocol form and the Consent/Assent forms have been updated to address changes in the government's new Common Rule. Make sure the forms you use for your application are marked "Updated 01-21-2019".
