

## Employee Only Emergency Evacuation Website Access

For employees traveling overseas not related to study abroad trips, the System has provided a blanket emergency evacuation service through our vendor CISI. In order for employees to access the relevant information regarding this program, print identification cards, register for security email updates and research information on foreign countries, the following web portal has been established for use by employees only.

- Go to [www.culturalinsurance.com/login](http://www.culturalinsurance.com/login)
- Select that you are an “Insured” from the drop-down menu (should already default to this)
- Username: [tamusemployee@culturalinsurance.com](mailto:tamusemployee@culturalinsurance.com) (This is for generic sign on purposes only. People should not send emails here)
- Password (case sensitive): TAMUSEVAC

Important points to note:

- To print an identification card, click on the link title “My Documents”. On the web page you will see a link to print the id card
- To register for security email alerts, click on the link on the left of page titled “Personal Security Assistance” and click on the blue policy number link titled “**11 GLB 9134664E**”.
- On the Chartis Accident & Health webpage, please note the link titled Daily News and Travel Safety Email Alert links. Click on either link to be taken to a web page to enter your contact information to receive email news.
