Additionally, the participation portion of the grade is indirectly dependent on attendance.

The TAMUCT Canvas Learning Management System will be used to complete a portion of the required assignments throughout the semester. Moreover, supplemental materials will be made available through this learning system. This system may be accessed at <https://tamuct.instructure.com>. Students not familiar with Canvas should carefully review the access instructions detailed in section III of the syllabus.

#### IV. COURSE REQUIREMENTS

- a. **Student Profile/Course Agreement:** Students will be asked to complete a student profile on the first day of class. The student profile will assist students when introducing themselves to their peers. In addition, the student profile will allow the professor to become acquainted with each student's background. The student course agreement is an agreement the student signs at the beginning of the semester, stipulating that the student understands and agrees with the responsibilities associated with the course and has read the syllabus thoroughly. The student profile/course agreement is worth **50 grading points**.
- b. **Attendance:** Attendance is each student's responsibility. It is not part of the overall grade; however, it is highly unlikely that any student will successfully complete the course without regular attendance. A substantial portion of the exams will be based on lecture material, which may not be found in the text. Participation points are dependent on attendance.
- c. **Participation:** Vouchers will be handed out to those students who participate in class. These vouchers will account for participation; they must be turned in to the instructor at the end of each class session. In order to receive full credit for participation, each student is required to submit a total of **TEN** vouchers. Only one voucher may be received per class session. Each voucher is worth 10 grading points totaling **100 grading points**. (Objectives 1, 2, & 4)
- d. **Exams:** There will be four exams. Each exam will test students' knowledge of the key frameworks and concepts. The test will contain multiple choice, true/false, and open ended questions. The exams will be based on concepts learned from the text as well as concepts learned during lectures. The chapter PowerPoint lectures, key terms, and publisher provided self-quizzes are all useful study guides for the exams. In addition, students are encouraged to take notes on supplementary material not covered in the text. Each exam is worth 100 grading points totaling **400 grading points**. (Objectives 1-5)
- e. **Connect/LearnSmart Assignments:** There will be 15 Connect/LearnSmart assignments throughout the course. Each of these assignments will be completed through BlackBoard by the date stipulated on the tentative course outline. Each exercise is worth 10 grading points totaling **150 grading points**. (Objectives 1-4)
- f. **Marketing Communication Project:** Commercials are a very popular and memorable form of marketing communication used by countless businesses in a variety of industries. As such, the purpose of this project is to have students analyze the strategic intricacies of a television spot using the sundry of marketing tools gained throughout the semester. More detailed project information will be distributed in class. This project is worth **200 grading points**. (Objectives 2-5)

- c. **The University Writing Center:** Located in 416 Warrior Hall, the University Writing Center (UWC) at Texas A&M University – Central Texas is a free workspace open to all TAMUCT students. Students may arrange a one-on-one session with a trained and experienced writing tutor by visiting the UWC during normal operating hours (both half-hour and hour sessions are available). Tutors are prepared to help writers of all levels and abilities at any stage of the writing process.

While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students' ideas and writing, our tutors highlight the ways in which they read and interpret students' texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the University Writing Center is here to help!

If you have any questions about the University Writing Center, please do not hesitate to contact Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu.

On-campus, the library offers technology including cameras, laptops, microphones, webcams, and digital sound recorders.

Research assistance from a librarian is also available twenty-four hours a day through our online chat service, and at the reference desk when the library is open. ## VII. COURSE AND UNIVERSITY POLICIES/PROCEDURES

- a. **Academic Integrity:** Texas A&M University—Central Texas values the integrity of the academic enterprise and strives for the highest standards of academic conduct. Texas A&M—Central Texas expects its students, faculty, and staff to support the adherence to high standards of personal and scholarly conduct to preserve the honor and integrity of the creative community. Academic integrity is defined as a commitment to honesty, trust, fairness, respect, and responsibility. Any deviation by students from this expectation may result in a failing grade for the assignment and potentially a failing grade for the course. Academic misconduct is any act that improperly affects a true and honest evaluation of a student's academic performance and includes, but is not limited to, cheating on an examination or other academic work, plagiarism and improper citation of sources, using another student's work, collusion, and the abuse of resource materials. All academic misconduct concerns will be reported to the University's Office of Student Conduct. Ignorance of the University's standards and expectations is never an excuse to act with a lack of integrity. When in doubt on collaboration, citation, or any issue, please contact your instructor before taking a course of action. *A found incidence of Academic Dishonesty for any assignment, project, or exam in this class will result in 0 points. Multiple incidences will result in an F course grade.*
- b. **Academic Accommodations:** At Texas A&M—Central Texas, we value an inclusive learning environment where every student has an equal chance to succeed and has the right to a barrier free education. The Department of Access and Inclusion is responsible for ensuring that students with a disability receive equal access to the University's programs, services and activities. If you believe you have a disability requiring reasonable accommodations please contact the Department of Access and Inclusion at (254) 501-5831. Any information you provide is private and confidential and will be treated as such.

**c. A Note about Sexual Violence at A&M-Central Texas**

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the Title IX webpage [<https://www.tamuct.edu/departments/compliance/titleix.php>].

**d. Drop Policy:** If you discover that you need to drop this class, you must complete a Drop Request Form

[[https://www.tamuct.edu/registrar/docs/Drop\\_Request\\_Form.pdf](https://www.tamuct.edu/registrar/docs/Drop_Request_Form.pdf)].

Professors cannot drop students; this is always the responsibility of the student. The Registrar's Office will provide a deadline on the University Calendar for which the form must be completed, signed and returned. Once you return the signed form to the Registrar's Office, you must go into Warrior Web and confirm that you are no longer enrolled. If you still show as enrolled, FOLLOW-UP with the Registrar's Office immediately. You are to attend class until the procedure is complete to avoid penalty for absence. Should you miss the drop deadline or fail to follow the procedure, you will receive an F in the course, which may affect your financial aid and/or VA educational benefits.
