Course Information

Program Goal

Texas A&M University-Central Texas students, upon completion of certification requirements, will be reflective professional educators who make effective educational decisions that support the creation of dynamic learning environments.

Course Overview and Description: MUSI 363

A comprehensive study of the musical relationships, patterns, and processes that contribute to the construction of much of Western art music, from the Baroque period through the 20th Century. Topics covered begin with the basic elements of musical form, such as motives, phrases, cadences, periods, and sentences. The course then progresses to larger forms themselves (binary, ternary, sonata, variation, fugue, and rondo).

Course Objective

Students who successfully complete this course will be able to:

1. Aurally and visually recognize and interpret the components of basic musical structures.
2. Analyze the form, motives, and tonal structure of a classical composition.
3. Discuss the recognizable artistic and technical achievements of such compositions.
4. Draw conclusions from the observable differences among comparable pieces.
5. Apply what was learned in previous harmony courses in the context of actual musical compositions.

Required Reading and Textbook(s)

Mathes, James. The Analysis of Musical Form. Upper Saddle River, New Jersey: Pearson Prentice Hall, 2007.

Other Required Materials:

In addition to the textbook listed above, pencils, manuscript paper, and notebook paper must be brought to every class meeting.

Course Expectations

The standard of our discipline is APA 6th edition. Unless otherwise specified, all written assignments should be typed and double-spaced, and submitted through Blackboard as Turnitin assignments in the .doc or .docx format. In addition, all written assignments should be edited for correct written convention which includes punctuation, spelling, grammar, word usage, etc. Failure to demonstrate the ability to communicate effectively in writing may result in lowering of the final grade. Written assignments with more than 5 grammatical errors will be returned ungraded. Please utilize the university's tutoring center for assistance with written assignments.

Please consult the course calendar for all due dates and check for updates regularly through Blackboard.

Late work will NOT be accepted except under extreme circumstances as approved by the instructor. If approved, late work will be subject to a reduction of 10% of the available points per day before grading.

Cell phones and laptop/notebook/iPads/Tablets, etc. - the use of technology can enhance learning and the educational experiences; however, it can also become a distraction to the learning tasks at hand. During class discussions and whole group activities, please refrain from using any of these tools. Off-task technology usage may result in deduction in professionalism points.

What You Can Expect From Me

- A commitment to help you grow as a professional educator.
- Feedback in the form of graded assignments within 1 week in most cases.
- I check emails regularly and will return them within 24 hours on weekdays, and within 48 hours on weekends.
- I will be prepared for class, so I expect the same from you.
- Respect and professionalism.

Texas A&M University-Central Texas Mission Statement

University Procedures & Policies

Academic Integrity

Texas A&M University-Central Texas values the integrity of the academic enterprise and strives for the highest standards of academic conduct. A&M-Central Texas expects its students, faculty, and staff to support the adherence to high standards of personal and scholarly conduct to preserve the honor and integrity of the creative community. Academic integrity is defined as a commitment to honesty, trust, fairness, respect, and responsibility. Any deviation by students from this expectation may result in a failing grade for the assignment and potentially a failing grade for the course. Academic misconduct is any act that improperly affects a true and honest evaluation of a student's academic performance and includes, but is not limited to, cheating on an examination or other academic work, plagiarism and improper citation of sources, using another student's work, collusion, and the abuse of resource materials. All academic misconduct concerns will be reported to the university's Office of Student Conduct. Ignorance of the university's standards and expectations is never an excuse to act with a lack of integrity. When in doubt on collaboration, citation, or any issue, please contact your instructor before taking a course of action. Honesty and integrity are essential characteristics for teachers. Students are required to act honestly and professionally at all times.

Any Violation of the Academic Integrity Policy will result in failure of the class (student will receive an "F").

Disability Support and Access Services

At Texas A&M University-Central Texas, we value an inclusive learning environment where every student has an equal chance to succeed and has the right to an education that is barrier-free. The Office of Disability Support and Access is responsible for ensuring that students with a disability enjoy equal access to the University's programs, services and activities. Some aspects of this course or the way the course is taught may present barriers to learning due to a disability. If you feel this is the case, please contact Disability Support and Access at (254) 501-5831 in Warrior Hall, Ste. 212. For more information, please visit their website at www.tamuct/disabilitysupport. Any information you provide is private and confidential and will be treated as such.

Drop Policy

If you discover that you need to drop this class, you must go to the Records Office and ask for the necessary paperwork. Professors **cannot** drop students; this is always the responsibility of the student. The record's office will provide a deadline for which the form must be returned, completed and signed. Once you return the signed form to the records office and wait 24 hours, you must go into Warrior Web and confirm that you are no longer enrolled. Should you still be enrolled, FOLLOW-UP with the records office immediately? You are to attend class until the procedure is complete to avoid penalty for absence. Should you miss the deadline or fail to follow the procedure, you will receive an F in the course.

Tutoring

University Library

The University Library provides many services in support of research across campus and at a distance. We offer over 200 electronic databases containing approximately 250,000 eBooks and 82,000 journals, in addition to the 72,000 items in our print collection, which can be mailed to students who live more than 50 miles from campus. Research guides for each subject taught at TAMUCT are available through our website to help students navigate these resources. On-campus, the library offers technology including cameras, laptops, microphones, webcams, and digital sound recorders.

Research assistance from a librarian is also available twenty-four hours a day through our online chat service, and at the reference desk when the library is open. Research sessions can be scheduled for more comprehensive assistance, and may take place on Skype or in-person at the library. Assistance may cover many topics, including how to find articles in peer-reviewed journals, how to cite resources, and how to piece together research for written assignments.

Our 27,000-square-foot facility on the TAMUCT main campus includes student lounges, private study rooms, group work spaces, computer labs, family areas suitable for all ages, and many other features. Services such as interlibrary loan, TexShare, binding, and laminating are available. The library frequently offers workshops, tours, readings, and other events. For more information, please visit our homepage: <http://www.tamuct.edu/departments/library/index.php>.
