### COURSE INFORMATION

#### 1.0 Course Overview

This course covers juvenile delinquency and adolescent substance use through systemic and contextual lens. MFT theories related to juvenile delinquency and adolescent substance use are examined and compared. Students will be knowledgeable about theories related to the development of delinquency and adolescent substance use within a systemic context. Students will be able to consider how systemic and contextual factors (e.g., gender, age, socioeconomic status, culture/race/ethnicity, sexual orientation, spirituality, larger systems, social context) influence delinquent behavior and adolescent substance use. Students will learn about and compare MFT treatments and evidence based treatments of delinquency and adolescent substance use.

Prerequites: MFT5301, MFT 5302, MFT 5381, PSYC 5304

#### 2.0 Intended Student Outcomes

2.2 Students will recognize contextual and systemic dynamics (e.g. gender, age, socioeconomic status, culture/race/ethnicity, sexual orientation, spirituality, religion, larger systems, social context) (SLO-3)

2.3 Students will understand the clinical needs and implication of persons with comorbid disorders (SLO-3)

3.0 Required Reading

- National Juvenile Defender Center (2014). What juvenile defenders should know about the DSM-5.

**COURSE REQUIREMENTS**

4.0 **Course Requirements**

All writing submitted to the professor should be a final draft, free of spelling, grammatical, stylistic, and typographical errors. Students are encouraged to allow ample time for writing, keeping in mind the frequency of computer glitches. It is expected that you put forth effort in writing your research paper. If you choose not to put in effort and plagiarize material from other sources, you will either receive an F for the assignment or the course. You may also be reported to the Office of Student Conduct for Academic Dishonesty. Please see the Academic Integrity policy.

Assignments:

4.1 **Literature Review** - Student will write a 10-15 page paper concerning juvenile delinquency or adolescent substance use. The paper should be written in APA format and include at least 10 references. Further instructions are on Canvas.

4.2 **Quizzes** - Students will take 6 quizzes covering the topic for that week.

4.3 **Discussion Board** – 8 DB Forums. You are required to post an initial post (250-400 words) as a response to the assigned reading or videos for that forum and then you are to reply to at least two different classmates with a reply post (100 words each). Specific directions for discussion boards will be posted on Canvas. Initial posts are due on Tuesdays by 11:59pm and Responses are due by Thursdays at 11:59pm.

**Discussion Board Rules**
This is a space for us to share our idea, engage in dialogues, and learn from each other. Below are criteria for the discussion post, criteria for content of the discussion post, and rules about etiquette.

Criteria for discussion post
The initial post should be at least 250 words. You are required to respond to at least two other initial posts. The responses should be at least 100 words each. The post are due by 11:59pm on the designated date. Points will be deducted for late post.

Criteria for content
The content of the discussion board should be your own ideas supported by information from the text, assigned readings, PowerPoints, or other scholarly references you find. You post should not entirely consist of quotes from an outside source, regurgitation of someone else’s ideas, or personal stories.

For example:

Big Bird (2012) stated that sexual violence was not an issue in developed countries. I disagree with that statement. I intern at a domestic violence shelter for my practicum and hear about the violence that occurs in this area. Even though Elmo (2013) stated that violence against women is lower in countries that have more liberties for women, violence against women in developed countries is still an epidemic. Since most victims of sexual violence know their perpetrator (Kermit, 2007) and most perpetrator are male (Dora 2013), I believe that we should develop preventative programs in middle and high school about sexual violence.

Discussion Board Etiquette
- Refrain from inappropriate language and personal attacks.
- Review your comments before you post for spelling and grammatical errors and to make sure it’s what you really want to say.
- Do not make sexist, racist, homophobic, or victim-blaming comments at all.
- Disagree with ideas, but do not make personal attacks.
- Be open to be challenged or confronted on your ideas or prejudices.
- Challenge others with the intent of facilitating growth. Do not demean or embarrass others.
- A majority of your reply should not be quotes from the initial post.

9.0 Drop Policy
If you discover that you need to drop this class, you must complete a Drop Request Form [https://www.tamuct.edu/registrar/docs/Drop_Request_Form.pdf]. Professors cannot drop students; this is always the responsibility of the student. The Registrar’s Office will provide a deadline on the University Calendar for which the form must be completed, signed and returned. Once you return the signed form to the Registrar’s Office, you must go into Warrior Web and confirm that you are no longer enrolled. If you still show as enrolled, FOLLOW-UP with the Registrar’s Office immediately. You are to attend class until the procedure is complete to avoid penalty for absence. Should you miss the drop deadline or fail to follow the procedure, you will receive an F in the course, which may affect your financial aid and/or VA educational benefits.

10.0 Academic Integrity
Texas A&M University -Central Texas values the integrity of the academic enterprise and strives for the highest standards of academic conduct. A&M-Central Texas expects its students, faculty, and staff to support the adherence to high standards of personal and scholarly conduct to preserve the honor and integrity of the creative community. Academic integrity is defined as a commitment to honesty, trust, fairness, respect, and responsibility. Any deviation by students from this expectation may result in a failing grade for the assignment and potentially a failing grade for the course. Academic misconduct is any act that improperly affects a true and honest evaluation of a student’s academic performance and includes, but is not limited to, cheating on an examination or other academic work, plagiarism and improper citation of sources, using another student’s work, collusion, and the abuse of resource materials. All academic misconduct concerns will be reported to the university’s Office of Student Conduct. Ignorance of the university’s standards and expectations is never an excuse to act with a lack of integrity. When in doubt on collaboration, citation, or any issue, please contact your instructor before taking a course of action.

13.0 The University Writing Center

Located in 416 Warrior Hall, the University Writing Center (UWC) at Texas A&M University-Central Texas is a free workspace open to all TAMUCT students from 10am-5pm Monday-Thursday with satellite hours in the University Library on Mondays from 6:00-9:00pm. Students may arrange a one-on-one session with a trained and experienced writing tutor by visiting the UWC during normal operating hours (both half-hour and hour sessions are available) or by making an appointment via WCOnline [https://tamuct.mywconline.com/]. In addition, you can email Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu to schedule an online tutoring session. Tutors are prepared to help writers of all levels and abilities at any stage of the writing process.

While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students’ ideas and writing, our tutors highlight the ways in which they read and interpret students’ texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WiFi, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the University Writing Center is here to help!

If you have any questions about the University Writing Center, please do not hesitate to contact Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu.

14.0 University Library

The University Library provides many services in support of research across campus and at a distance. We offer over 200 electronic databases containing approximately 250,000 eBooks and 82,000 journals, in addition to the 72,000 items in our print collection, which can be mailed to students who live more than 50 miles from campus. Research guides for each subject taught at A&M-Central Texas are available through our website to help students navigate these resources. On-campus, the library offers technology including cameras, laptops, microphones, webcams, and digital sound recorders.

Research assistance from a librarian is also available twenty-four hours a day through our online chat service, and at the reference desk when the library is open. Research sessions can be scheduled for more comprehensive assistance, and may take place on Skype or in-person at the library. Assistance may cover many topics, including how to find articles in peer-reviewed journals, how to cite resources, and how to piece together research for written assignments.

Our 27,000-square-foot facility on the A&M-Central Texas main campus includes student lounges, private study rooms, group work spaces, computer labs, family areas suitable for all ages, and many other features. Services such as interlibrary loan, TexShare, binding, and laminating are available. The library frequently offers workshops, tours, readings, and other events. For more information, please visit our Library website [https://tamuct.libguides.com/].

15.0 Absences and Grading
Students are encouraged to attend and actively participate in every class meeting. However, students will not be graded for attendance. An initial 5 points will be deducted for all assignments submitted after the deadline. An additional 5 points will be deducted for every additional day an assignment is late.

A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don’t agree with their behaviors and tell survivors we will support them. Your actions matter. Don’t be a bystander; be an agent of change. For additional information on campus policy and resources visit the Title IX webpage [https://www.tamuct.edu/departments/compliance/titleix.php].
