Our community partners for this course are Variety's Peaceable Kingdom, and the Boys and Girls Club of Central Texas.

Peaceable Kingdom Retreat for Children was established in 1984 in memory of Charles Schreiner V, son of Mary Helen and Charlie Schreiner IV and grandson of Daurice and Jim Bowmer. Charles Schreiner V (also known as Baby Charlie) was born with a congenital heart defect, and after a courageous battle for almost a year, he passed away at the age of eleven months. Baby Charlie spent nearly all of his eleven months of life in the hospital and his grandparents wanted to create a place where children could get away from the hospital with their families for a few days and just be a part of nature. The Bowmers started Baby Charlie's Fishing Camp and they, along with Mary Helen and Charlie, brought children and their parents from nearby Scott & White Hospital to fish on the Lampasas River. The fishing camp grew, and the Bowmer family expanded and started what is now Variety's Peaceable Kingdom Retreat for Children on 120 acres adjacent to the Lampasas River. The retreat serves over 5,000 children with chronic illnesses and special needs each year.

OPTIONAL POLICY STATEMENTS:

A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/departments/compliance/titleix.php) [https://www.tamuct.edu/departments/compliance/titleix.php].
