Required Reading and Textbook(s):

COURSE REQUIREMENTS

LearnSmart © (200 points – 8.7% of grade)
The textbook is required for this course and has a lot of useful information. You should read the topics we will cover in class BEFORE class. As a way to incentivize you to read you will have a LearnSmart © reading that must be completed before each new chapter. In addition to reading materials before class, you should review the textbook materials before exams. We will be covering ten chapters in the textbook so there will be ten LearnSmart © reading assignments and ten LearnSmart © exam review assignments. Exams cover two or three chapters so there will be two or three LearnSmart © due before each of the four exams. Only the chapters covered on the exam are due before each exam (for example, exam 1 covers chapters 14 and 15 so there are two additional LearnSmart© reading assignments due before exam 1).

Connect Homework ( 500 points – 21.74% of grade)
Practicing problems prepares you for the exams and for the CPA exam. In order to incentivize you to do your homework I have made it part of your grade. McGraw Hill Connect allows you to get feedback in a timely manner. All homework assignments are done in McGraw Hill connect. Each assignment has three attempts. After each attempt you will receive feedback. You will only receive answers to the questions after the third attempt/ after you turn the homework in. The
homework is graded for accuracy. This means you should not just skip through the first and second attempts in order to get the answer since whatever your score is based on your best scoring attempt. Try your best at all three attempts. Also I have included three "check my work"s within each attempt so that should help as well.

Exams (1500 points, 65.22% of grade):
There are two in class exams, one take-home exam, and a final. I will drop one exam of the in-class exams (not the take home exam). Therefore, if one of the in-class exams is missed for any reason, it will be dropped. To be fair to those students that did not miss any exams, the lowest in-class exam grade will be dropped.

OPTIONAL POLICY STATEMENTS:
A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don’t agree with their behaviors and tell survivors we will support them. Your actions matter. Don’t be a bystander; be an agent of change. For additional information on campus policy and resources visit the Title IX webpage [https://www.tamuct.edu/departments/compliance/titleix.php].
