OPTIONAL POLICY STATEMENTS:

A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at A&M-Central Texas, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Counseling Services (254-501-5956) located on the second floor of Warrior Hall.

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/departments/compliance/titleix.php) [https://www.tamuct.edu/departments/compliance/titleix.php].

INSTRUCTOR POLICIES.

Attendance Policy

Professional behavior and commitment to teaching are expectations. Attendance and punctuality are required. It is NOT possible to make up the work missed during the class period since it involves the interactions of students, professor, and content. I will not provide "make-up" work. You may access this work on your own through blackboard or through collaboration with a peer.

After 3 absences for any reason, you must schedule an individual conference with me. If a student misses more than 4 of the classes they will fail the entire course. Missing ½ class or more = 1 absence.

Your commitment to becoming the best teacher possible includes regular, timely attendance and participation.

You are responsible for asking a classmate to take notes, and gather handouts for missed classes. It is your responsibility to find out what you missed. I will not provide the handouts at a later time.

Being prepared to participate includes completing assigned reading and bringing necessary assignments and materials to class.

Late Work

Work is to be turned on the day it is due. Ten percent of the grade will be deducted for each day the work is late.

Philosophy of Education

I believe all students can learn. The most successful classroom is a learner-centered, safe classroom, where students are engaged in learning as often as possible. Where ever possible students must be built up and feed teaching that enhances self-esteem to prepare them for the classroom.

Understanding, understanding should be taught so students will know what it means to understand.

My personal philosophy is contained in the following saying:

Good Manners and Soft Words Have Brought Many a Difficult Thing to Pass

-
