The approximate length of initial response should be 2 paragraphs long (6-8 sentences is considered one paragraph). Follow-up responses can be a more conversational tone; however, they should also add to the conversation beyond a simple post summing to "I agree". There will be 4 Discussion Forums associated with topics found in this course. Your original posting and two replies to your classmates' will be required for each forum - please note the separate due dates. Each forum's participation is worth 30 pts. These discussions will be worth 12% of your grade. A rubric will be provided for each discussion.

Team Project:

This is something I want you to look forward to and I will be here to help you as much as possible. It is not a secret that students sometimes do not like group projects, but learning to work collaboratively and count on your peers is an essential part of this learning experience. Employers ask us, as instructors, to teach our students how to work in groups and learn to deal with the conflicts that often occur in this setting. In a work environment, the job needs to be done regardless of the circumstances, including personality conflicts and poor performance of group members. This will be no different! I want you to try to work as a team, not a group.

Teams work together to accomplish a common goal / outcome! Groups do their own thing and piece it together later.

- ❖ You will work in teams of 4 or 5 to design and develop a training package of interest to individuals involved in the HRD process. It will be pre-approved by the instructor. No one person can be responsible for one specific section of the project – it will be a team effort. A list of topic choices will be provided to you. Additionally, each student will be required to record his/her own individual portion of the project to submit.
 - ❖ A mid point assignment to show your current progress will be provided on Canvas.
 - ❖ The training package will include:
 - ✓ Cover page
 - ✓ Table of Contents
 - ✓ Needs Assessment
 - ✓ Competency Model
 - ✓ Lesson Plan
 - ✓ Evaluation Plan
 - ✓ Supporting Materials (Power Point Presentation and any additional handouts)
 - ✓ Reference Page
 - A min. of 4 references are required to support a grade of “C”; A min. of 6 references are required to support a grade of “B”; A min. of 8 references are required to support a grade of “A”
 - No more than 25% of your references can be from the web. (Wikipedia is NOT a source!)
 - Your sources should consist of peer reviewed journals from the library database. The course textbook may/should be cited as one of the references used.
 - Reference page must be in proper APA format.
 - ❖ Oral presentation
 - ✓ Each student will record via: Screencast-O-Matic [<https://screencast-o-matic.com/home>] their portion of the project as if he/she was presenting in a classroom. More information will be provided as the semester progresses. Your individual presentation should flow as if you were with your group in class. It should be 5-8 minutes in length.
 - ✓ Oral presentations will be conducted in a professional manner, to include appropriate business dress. *Men*: slacks, shirt, socks, shoes, and tie. *Ladies*: blouse and slacks or dress, or suit with socks/stockings and either low or high-heeled shoes. Look like professionals!
 - ✓ I MUST be able to see YOU and YOUR ppt.
 - ❖ Submission details and examples will be provided within Canvas.
- This project will be worth 150 points and 15% of your grade.

INSTRUCTOR POLICIES:

Individual Performance: It is vital that you are active in the course and complete all work in a professional fashion. One of the biggest issues with student success in online courses is simply not submitting work on time. You are expected to read the chapters as assigned in the calendar as well as read or view any supplemental resources that may be found in the Module content folders for that period.

Quality Work: All work submitted for grading shall be of upper level quality: Depth of analysis, grammatical structure, etc.

Identifying Submissions: Submissions must clearly identify the student's name and the title of the assignment.

Submission Style Requirements: While not all instructors require full APA formatting, I do! Submissions will be in accordance with The Publication Manual of the American Psychological Association, 6th ed. (Cover page, running head, 1" margins, 12pt font, double spaced, in-text citations, reference page). *All written work **must** be submitted utilizing Microsoft Word in either a .doc or .docx format.*

Due Dates and Late Submissions: The assignment instructions and deadlines are clearly laid out in the syllabus. If you encounter an issue, please let me know as soon as possible. It is much easier to discuss issues before due dates rather than after. Late penalties are severe and as follows:

1. *Discussions* – Discussions are interactive and time sensitive; therefore, contributions to discussions will **NOT** be accepted late without written documentation of an unavoidable or unforeseeable event.

2. *Assignments* - These will remain open for 3 additional days and you will receive a 10% penalty per day.

3. *Quizzes* – You have 48 hours after a quiz is due to fill out a form located on the quiz page in black board. I may allow you to take the quiz with a 10% penalty and will only allow 24 hours from time of approval for you to take the quiz.

4. *Exams* – If you miss an exam without notifying me in advance, I may allow you an opportunity to take it (not guaranteed) if you contact me within 48 hours of the due date. If I allow you to take it, you will generally score no higher than a 70 regardless of how high your score is.

Changes to Syllabus: This syllabus serves as an instructional and study planning document. Although every effort will be made to maintain the schedule and activities presented herein, it may become necessary during the course of the semester to make changes to the syllabus. In such events, changes will be announced and students will receive written notice as soon as possible.

Professional Etiquette: Students are expected to embody professionalism to include the following: *Demeanor* – polite and well-spoken, demonstrating tact, respect, compassion, appreciation, inclusive, mature - not rude, belligerent, arrogant, or aggressive; *Reliable* – follow through on tasks in a timely manner, communicate unanticipated events; *Competent* – commit to learning and applying content from the course, act in a responsible manner and practice sound judgment, seek assistance when appropriate; *Ethical* – honest and trustworthy; *Equality* – refrain from giving or seeking preferential treatment unless supported by the office of Student Success, adhere to published policies of the university, seek assistance or clarification when appropriate. A student who violates professional etiquette in a manner that is egregious (as determined by the instructor) may result in a failing grade for the course. I reserve the right to provide a less severe penalty depending on the circumstances of the situation.

OPTIONAL POLICY STATEMENTS:

A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at A&M-Central Texas, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Counseling Services (254-501-5956) located on the second floor of Warrior Hall.

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/departments/compliance/titleix.php) [https://www.tamuct.edu/departments/compliance/titleix.php].
