

Texas A&M University Central Texas
ACC 4350 -115 CRN: 60159
Management Information Systems
SUMMER 2018 ONLINE SYLLABUS

INSTRUCTOR AND CONTACT INFORMATION

Instructor: Willie N. Cargill, Ph.D., CPA
Office: FH 323R Phone: 254-519-5793 COBA Office: 254-519-5437
Email: Class communication in Canvas. Other Communication wcargill@tamuct.edu
Office Hours: Virtual Tuesday and Thursday 2:30PM to 4:30PM or by appointment online.

Mode of instruction and course access:

This course is a 100% online course. This course uses the A&M-Central Texas Canvas Learning Management System [<https://tamuct.instructure.com>]. Refer to the "Login" screen for instructions on accessing your classes. After you have logged on, please change your password by selecting the 'Personal Information' menu item.

For technical help: 24/7 Phone: (254)519-5466 or (979)845-8300 24/7

Online Chat: Click on the "Chat Now" button at <http://hdc.tamu.edu>

Student-Instructor interaction:

I will be logging on and checking class e-mails during my office hours. In addition, during my office hours, I will be logged into Skype (bill.cargill46) and available within class chat rooms.

If several students have e-mailed questions or if your question should be a common question for the entire class, I will send an "All Students" response. If your question is unique to you, I will respond directly to you. **DO NOT SUBMIT ANY CLASS ASSIGNMENTS TO ANY E-MAIL ACCOUNT. Be advised that I do not accept or grade late submissions OR submissions that do not follow the instructions in the assignment.** Check your e-mail often.

Any modifications to the syllabus will be sent as and "All Students" e-mail. I reserve the right to change the number or frequency of assessments or assignments. You will be graded based upon the evaluation tools presented to you and the points available to you. From time to time, I will be working on the computer and my Skype connection will be active. Please feel free to contact me with your questions. If my Skype connection is off, I am not available. **The preferred method of contact is e-mail within Canvas.**

911 Cellular:

Emergency Warning System for Texas A&M University – Central Texas

911Cellular is an emergency notification service that gives Texas A&M University-Central Texas the ability to communicate health and safety emergency information quickly via email, text message, and social media. All students are automatically enrolled in 911 Cellular through their myCT email account.

Connect at [911Cellular](https://portal.publicsafetycloud.net/Texas-AM-Central/alert-management) [<https://portal.publicsafetycloud.net/Texas-AM-Central/alert-management>] to change where you receive your alerts or to opt out. By staying enrolled in 911Cellular, university officials can quickly pass on safety-related information, regardless of your location.

COURSE REQUIREMENTS

4.0 Course requirements:

ALL QUIZZES, EXAMS AND ASSIGNMENTS WILL BE POSTED ON CANVAS AND WILL CARRY SPECIFIC AVAILABILITY PERIODS AND DUE DATES.

Chapter Quiz (10 points each)

Exam 1 (100 points)

This objective exam (multiple choice and/or true false) covers chapters 1 - 7

Associated student learning outcomes:

- distinguished data from information
- describes several system characteristics
- identify the basic types of business information systems
- identify the major steps of the system development process
- describes some of the threats that information systems and the Internet can pose to security and privacy
- identified the value added processes in the supply chain
- discuss strategic planning for competitive advantage
- describe the role of the central processing unit main memory and various secondary storage devices
- distinguish between single-user and multiuser computer systems
- discuss the role of the operating system and application software
- outline the overall evolution and importance of programming languages
- identify the common functions performed by all database management systems
- describes several options for short range medium-range and long-range communications
- describes three distributed processing alternatives and discuss their basic features
- describe how the Internet works including methods for connecting to it
- described the World Wide Web and how it works

Exam 2 (100 points)

This objective exam (multiple choice and/or true false) covers chapters 8 - 11

Associated student learning outcomes:

- identify several e-commerce and in commerce applications
- identify the basic activities and business objectives common to all transaction processing systems
- discuss the advantages and disadvantages of an enterprise resource planning system
- discuss information systems in the functional areas of business organizations
- list some of the tools and techniques used in knowledge management

6.0 Posting of Grades

All quiz and exam grades will be posted to "MY GRADES" when the quiz/exam is "Submitted". The writing assignment will be due near the end of the term and grades will be posted to "MY GRADES" before the final exam date.

Course Outline and Calendar

8.0 Complete Course Outline (Please note that this is a "week of" schedule starting on Sunday. Specific due dates will be posted as part of the Canvas posting.)

Week Beginning

Topic

6/3/2018 Introduction to Information Systems
Information Systems in Organizations

6/10 Hardware
Software

6/17 Database Systems
Networks and Cloud Computing

6/24 Electronic and Mobile Commerce
Enterprise Systems

7/1 Business Intelligence and Analytics
Knowledge Management

7/8 Strategic Planning
Systems Acquisition and Development

7/15 Cyber Crime
Ethical, Legal and Social Issues

7/22 Reports/projects due/Review
Finals week

Final exam is due not later than 11:59:00PM Central Time 5/9/18

Semester ends July 27, 2018

DUE DATES FOR QUIZZES, EXAMS, AND ASSIGNMENTS ARE AS POSTED IN CANVAS.

TECHNOLOGY REQUIREMENTS AND SUPPORT

Technology Requirements

The student will need a computer that has a browser that is compatible with our version of Canvas and an Internet connection of adequate bandwidth to provide for a reasonable connection speed.

Technology issues are not an excuse for missing a course requirement – make sure your computer is configured correctly and address issues way before deadlines

This course will use the A&M-Central Texas Instructure Canvas learning management system. Logon to A&M-Central Texas Canvas [<https://tamuct.instructure.com>].

Username: Your MyCT username (xx123 or everything before the "@" in your MyCT e-mail address)

Password: Your MyCT password

Canvas Support

Use the Canvas Help link, located at the bottom of the left-hand menu, for issues with Canvas. You can select “Chat with Canvas Support,” submit a support request through “Report a Problem,” or call the Canvas support line: 1-844-757-0953.

For issues related to course content and requirements, contact your instructor.

Other Technology Support

For log-in problems, students should contact Help Desk Central.

24 hours a day, 7 days a week:

Email: helpdesk@tamu.edu

Phone: (254) 519-5466

[Web Chat](http://hdc.tamu.edu): [http://hdc.tamu.edu]

Please let the support technician know you are an A&M-Central Texas student.

UNIVERSITY RESOURCES, PROCEDURES, AND GUIDELINES

Drop Policy.

If you discover that you need to drop this class, you must complete a [Drop Request Form](https://www.tamuct.edu/registrar/docs/Drop_Request_Form.pdf) [https://www.tamuct.edu/registrar/docs/Drop_Request_Form.pdf].

Professors cannot drop students; this is always the responsibility of the student. The Registrar’s Office will provide a deadline on the University Calendar for which the form must be completed, signed and returned. Once you return the signed form to the Registrar’s Office, you must go into Warrior Web and confirm that you are no longer enrolled. If you still show as enrolled, FOLLOW-UP with the Registrar’s Office immediately. You are to attend class until the procedure is complete to avoid penalty for absence. Should you miss the drop deadline or fail to follow the procedure, you will receive an F in the course, which may affect your financial aid and/or VA educational benefits.

Academic Integrity.

Texas A&M University -Central Texas values the integrity of the academic enterprise and strives for the highest standards of academic conduct. A&M-Central Texas expects its students, faculty, and staff to support the adherence to high standards of personal and scholarly conduct to preserve the honor and integrity of the creative community. Academic integrity is defined as a commitment to honesty, trust, fairness, respect, and responsibility. Any deviation by students from this expectation may result in a failing grade for the assignment and potentially a failing grade for the course. Academic misconduct is any act that improperly affects a true and honest evaluation of a student’s academic performance and includes, but is not limited to, cheating on an examination or other academic work, plagiarism and improper citation of sources, using another student’s work, collusion, and the abuse of resource materials. All academic misconduct concerns will be reported to the university’s Office of Student Conduct. Ignorance of the university’s standards and expectations is never an excuse to act with a lack of integrity. When in doubt on collaboration, citation, or any issue, please contact your instructor before taking a course of action.

Copying of an answer from a solution manual is plagiarism and will result in a minimum of a zero on the assignment. The purchase of a research report from a service or individual will result in a “F” for the course.

Academic Accommodations.

At Texas A&M University-Central Texas, we value an inclusive learning environment where every student has an equal chance to succeed and has the right to a barrier free education. The Department of Access and Inclusion is responsible for ensuring that students with a disability receive equal access to the University's programs, services and activities. If you believe you have a disability requiring reasonable accommodations please contact the Department of Access and Inclusion at (254) 501-5831. Any information you provide is private and confidential and will be treated as such.

For more information please visit our [Access & Inclusion](https://www.tamuct.edu/student-affairs/access-inclusion.html) webpage [https://www.tamuct.edu/student-affairs/access-inclusion.html].

Texas A&M University-Central Texas supports students who are pregnant and/or parenting. In accordance with requirements of Title IX and guidance from US Department of Education's Office of Civil Rights, the Dean of Student Affairs' Office can assist students who are pregnant and/or parenting in seeking accommodations related to pregnancy and/or parenting. For more information, please visit <https://www.tamuct.departments/index.php>. Students may also contact the institution's Title IX Coordinator. If you would like to read more about these [requirements and guidelines online](http://www2.ed.gov/about/offices/list/ocr/docs/pregnancy.pdf), please visit the website [http://www2.ed.gov/about/offices/list/ocr/docs/pregnancy.pdf].

Tutoring.

Tutoring is available to all A&M-Central Texas students, both on-campus and online. On-campus subjects tutored include Accounting, Advanced Math, Biology, Finance, Statistics, Mathematics, and Study Skills. Tutors are available at the Tutoring Center in Warrior Hall, Suite 111.

If you have a question regarding tutor schedules, need to schedule a tutoring session, are interested in becoming a tutor, or any other question, contact Academic Support Programs at 254-519-5796, or by emailing Dr. DeEadra Albert-Green at deeadra.albertgreen@tamuct.edu.

Chat live with a tutor 24/7 for almost any subject on your computer! Tutor.com is an online tutoring platform that enables A&M-Central Texas students to log-in and receive FREE online tutoring and writing support. This tool provides tutoring in over forty subject areas. Access Tutor.com through Canvas.

University Writing Center: Located in 416 Warrior Hall, the University Writing Center (UWC) at Texas A&M University-Central Texas is a free workspace open to all TAMUCT students from 10am-5pm Monday-Thursday with satellite hours in the University Library Monday-Thursday from 6:00-9:00pm. Students may arrange a one-on-one session with a trained and experienced writing tutor by visiting the UWC during normal operating hours (both half-hour and hour sessions are available) or by making an appointment via [WCOonline](https://tamuct.mywconline.com/) at [https://tamuct.mywconline.com/]. In addition, you can email Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu to schedule an online tutoring session. Tutors are prepared to help writers of all levels and abilities at any stage of the writing process.

While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students' ideas and writing, our tutors highlight the ways in which they read and interpret students' texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the University Writing Center is here to help!

If you have any questions about the University Writing Center, please do not hesitate to contact Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu.

University Library.

The University Library provides many services in support of research across campus and at a distance. We offer over 200 electronic databases containing approximately 250,000 eBooks and 82,000 journals, in addition to the 72,000 items in our print collection, which can be mailed to students who live more than 50 miles from campus. Research guides for each subject taught at A&M-Central Texas are available through our website to help students navigate these resources. On-campus, the library offers technology including cameras, laptops, microphones, webcams, and digital sound recorders.

Research assistance from a librarian is also available twenty-four hours a day through our online chat service, and at the reference desk when the library is open. Research sessions can be scheduled for more comprehensive assistance, and may take place on Skype or in-person at the library. Assistance may cover many topics, including how to find articles in peer-reviewed journals, how to cite resources, and how to piece together research for written assignments.

Our 27,000-square-foot facility on the A&M-Central Texas main campus includes student lounges, private study rooms, group work spaces, computer labs, family areas suitable for all ages, and many other features. Services such as interlibrary loan, TexShare, binding, and laminating are available. The library frequently offers workshops, tours, readings, and other events. For more information, please visit our [Library website](https://tamuct.libguides.com/) [https://tamuct.libguides.com/].

A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/departments/compliance/titleix.php) [https://www.tamuct.edu/departments/compliance/titleix.php].

Instructor policies related to absence, grading, etc.

Interaction with other students is an important part of learning. You should make an effort to participate in Discussion Board activities and Chat Rooms where appropriate.

I do not accept late submissions. Exams and quizzes will be posted for a time period that should be sufficient for you to have access regardless of your work or duty schedule. Our version of Canvas sometimes refuses to accept SUBMIT attempts. When that happens you must have time to wait and then SUBMIT at a later time. **DO NOT WAIT** until the end of the availability period before taking a quiz, exam or completion of an assignment. One professor reported that "if you are using a wireless connection and another person logs on to your router using a hard wired connection, you will be knocked off Canvas" I have no personal experience with that situation; however, you may not use as an excuse that you got knocked off the system. You **MUST** start your exam/assignment early enough that you can complete the work regardless of what happens.

The operation of the Online Course and Being an Online Student Online learning requires students to be very self-disciplined, be sure you understand and are prepared to comply with all required class assignments and deadlines. Each assignment and/or quiz has a **SPECIFIC** due date and time. These may vary from assignment to assignment. Do not wait until the last few minutes to **SUBMIT** an assignment. When the time expires, you will not be able to submit your work. If the Assignment Due time is 23:59 and you wait until 23:58 to **SUBMIT** your work and you have internet problems, you **MAY NOT** send me your work as an e-mail attachment. I will not accept late submissions.

Instructor's Personal Statement

I think that this is an important course for accounting majors. You will need this information regardless of your career path. Unless otherwise stated, I expect you to work independently. Please do not share your work or answers with other students. It is acceptable for you to discuss the question and possible answers, but you must develop your own response before submitting an answer.
