Office Phone Number: 254-519-5436
Office Hours: Wednesday 10-2p

“Behind every uncomfortable syllabus clause lies an even more uncomfortable teaching experience.” – @AcademicSay (April 22, 2016)

ACADEMIC ACCOMMODATIONS

At Texas A&M University-Central Texas, we value an inclusive learning environment where every student has an equal chance to succeed and has the right to a barrier-free education. The Department of Access and Inclusion is responsible for ensuring that students with a disability receive equal access to the university’s programs, services and activities. If you believe you have a disability requiring reasonable accommodations please contact the Department of Access and Inclusion at (254) 501-5831. Any information you provide is private and confidential and will be treated as such.

For more information please visit our Access & Inclusion web page:
https://www.tamuct.edu/student-affairs/access-inclusion.html

Texas A&M University-Central Texas supports students who are pregnant and/or parenting. In accordance with requirements of Title IX and related guidance from US Department of Education's Office of Civil Rights, the Dean of Student Affairs' Office can assist students who are pregnant and/or parenting in seeking accommodations related to pregnancy and/or parenting. Students should seek out assistance as early in the pregnancy as possible. For more information, please visit the Student Affairs web page (https://www.tamuct.edu/student-affairs/index.html). Students may also contact the institution’s Title IX Coordinator. If you would like to read more about these requirements and guidelines online, please visit the website:
http://www2.ed.gov/about/offices/list/ocr/docs/pregnancy.pdf
Title IX of the Education Amendments Act of 1972 prohibits discrimination on the basis of sex and gender—including pregnancy, parenting, and all related conditions. A&M-Central Texas is able to provide flexible and individualized reasonable accommodation to pregnant and parenting students. All pregnant and parenting students should contact the Division of Student Affairs at (254) 501-5909 to seek out assistance. Students may also contact the University's Title IX Coordinator.

STATEMENT OF ACADEMIC FREEDOM

Freedom to teach and freedom to learn are inseparable facets of academic freedom. The University has adopted a policy on the Disruption of University Activities (Policy # 4.08), which can be accessed through the following link:

*** Disclaimer: Syllabus may be revised later if needed ***

COURSE GOALS AND METHODS

This class is an introduction to the magical world of statistical concepts and techniques that can assist one in evaluating research findings and conducting research. Techniques include measures of central tendency, variability, and significance, and hypothesis testing using t-tests and ANOVA. Students will learn how to manipulate, analyze, and interpret data using SPSS.

At the end of the course, students will be able to:

1) Understand the prevalence of and need for statistics
2) Understand how statistical analysis can be used to objectively investigate practical issues in criminal justice
3) Learn how to use statistical software to analyze data
4) Understand the fundamentals of data entry and processing
5) Know how to calculate and interpret descriptive statistics
6) Understand the logic behind samples, probability, and hypothesis testing
7) Understand how to conduct hypothesis testing using statistical analyses

REQUIRED TEXT

Additional readings may be provided on Canvas.
COURSE POLICIES

Distractions

Use of electronics is prohibited in the classroom* (cell phones, laptops, tablets, palm pilots, Gameboys, TI-86 calculators, discmans, etc.). All cell phones must be turned off or silenced when entering the class. Do not put your cell phone on vibrate, as this can also be distracting. Headphones must be removed prior to entry into the classroom. **I reserve the right to impose a point(s) deduction from the lab, in-class activity, and/or exam that day if I see any use of electronics during class.**

If you can't make it through class without using your phone then you might want to check out this article: [http://www.webmd.com/balance/guide/addicted-your-smartphone-what-to-do](http://www.webmd.com/balance/guide/addicted-your-smartphone-what-to-do)

* Students who provide documentation from The Office of Access & Inclusion may use a recorder.

Respect

Statistics can be a difficult subject to learn and everyone learns at a different pace. Students are encouraged to ask questions in class, and are expected to listen to the professor and to one another respectfully. **I reserve the right to impose a point(s) deduction from the lab, in-class activity, and/or exam that day if I see what I discern to be a display(s) of disrespect during class.**

Academic Honesty

Texas A&M University-Central Texas values the integrity of the academic enterprise and strives for the highest standards of academic conduct. A&M-Central Texas expects its students, faculty, and staff to support the adherence to high standards of personal and scholarly conduct to preserve the honor and integrity of the creative community. Academic integrity is defined as a commitment to honesty, trust, fairness, respect, and responsibility. Any deviation by students from this expectation may result in a failing grade for the assignment and potentially a failing grade for the course. Academic misconduct is any act that improperly affects a true and honest evaluation of a student's academic performance and includes, but is not limited to, cheating on an examination or other academic work, plagiarism and improper citation of sources, using another student's work, collusion, and the abuse of resource materials. All academic misconduct concerns will be reported to the university's Office of Student Conduct. Ignorance of the university's standards and expectations is never an excuse to act with a lack of integrity. When in doubt on
collaboration, citation, or any issue, please contact your instructor before taking a course of action.

For more information, please see:

https://www.tamuct.edu/departments/studentconduct/academicintegrity.php

Violations in academic honesty will result in score of zero on the assignment for which it is suspected. Any suspected violations of academic honesty will be reported to TAMUCT’s Office of Student Conduct:

https://www.tamuct.edu/student-affairs/student-conduct.html

TECHNOLOGY REQUIREMENTS

This is a lecture/lab course with online components, and will use the TAMUCT Instructure Canvas learning management system.

Logon to TAMUCT Canvas https://tamuct.instructure.com

Username: Your MyCT username (xx123 or everything before the "@" in your MyCT e-mail address)

Password: Your MyCT password

CANVAS SUPPORT

Use the Canvas Help link, located at the bottom of the left-hand menu, for issues with Canvas. You can select “Chat with Canvas Support,” submit a support request through “Report a Problem,” or call the Canvas support line: 1-844-757-0953.

For issues related to course content and requirements, contact your instructor.

OTHER TECHNOLOGY SUPPORT

For log-in problems, students should contact Help Desk Central.

24 hours a day, 7 days a week:

Email: helpdesk@tamu.edu

Phone: (254) 519-5466

Web Chat: http://hdc.tamu.edu

Please let the support technician know you are an A&M-Central Texas student

To help you learn Canvas, I recommend you contact IT.
COURSE COMMUNICATION

Announcements will be posted to the course Announcements page on Canvas.

I will send correspondence to individual students via Canvas Inbox. Make sure you have access to and regularly check it, as it is not my responsibility to tell you I sent an email to you, nor is it my responsibility to locate your non-TAMUCT email address. I recommend you check your Canvas Settings to ensure you receive a notification when an announcement is posted, a course message is received, etc.

Emails should be professional. Include a subject line, a formal salutation, address me as Professor or Dr., your name and the course you’re in, the reason for your email, and a formal sign-off with your name. Do not send emails about things stated in the syllabus or guidelines unless you are requesting clarification or additional information.

STUDENT-PROFESSOR INTERACTION

Students may speak with the professor after class ends (provided time availability), via email, during office hours, or by appointment. Emails will be answered within 72 hours. Appointments (date/time) must be confirmed by the student and the professor via email.

ATTENDANCE AND PARTICIPATION POLICIES

Attendance will not be taken in this course. However, it is in your best interest to attend every class in order to earn points on the exams, labs, and class assignments. All material covered in class and/or the readings are fair game for the exams and in-class activities. Therefore, if you do not attend regularly your grade is likely to suffer. Participation is encouraged as it will also aid in understanding in the material, which can ultimately improve your grade. If you have a question, I strongly suggest that you speak up in class or see me during my office hours (or make an appointment).

COURSE REQUIREMENTS

Reading Assignments

The reading assignments are taken from the required textbook. It is important to have the textbook when class begins so you can keep up with the assigned readings. I recommend you purchase the book as soon as possible so you are adequately prepared for class. Reading assignments should be completed by the date listed on the Class Schedule. I also suggest you review the chapters after class.
Labs

Lab assignments afford students with the opportunity to become familiarized with statistical software and apply the concepts and methods of analysis to criminal justice datasets. Labs entail in-class work using SPSS, which is the statistical software used for analysis. Students will not be required to purchase SPSS to complete the assignments.

**There will be no make-up labs and labs cannot be taken early.** However, if a student has to miss a lab due to work or military obligations, he or she may be allowed to complete a make-up assignment worth 20 points within one week of the lab date. If you do not complete the assignment within one week you will receive a zero. In order to be allowed to complete the make-up assignment, the student must provide me with official documentation in advance showing the date(s) of the scheduling conflict.

Labs will be graded on the following:

<table>
<thead>
<tr>
<th>Lab Elements</th>
<th>Approximate percentage of lab grade*</th>
</tr>
</thead>
<tbody>
<tr>
<td>Syntax – Correct code</td>
<td>15%</td>
</tr>
<tr>
<td>Output – Correct analysis</td>
<td>15%</td>
</tr>
<tr>
<td>Word Document – Correct interpretation and write-up of results</td>
<td>70%</td>
</tr>
</tbody>
</table>

* Specific number of points will vary by the assignment

Advanced notice is not required for medical emergencies; however, you must provide written documentation (on official paper with the date(s)) within one week from the lab date. You will also have one week from the lab date to complete the make-up assignment. If you do not complete the make-up assignment within one week you will receive a zero.

**Students who come to class 5-10 minutes late will receive a 5- point deduction in their lab grade. Students who come to class more than 10 minutes late will not be able to take the lab or complete a make-up assignment. They will receive a 0 on the lab assignment.**
In-Class Activities

In-class activities are designed to help you apply the concepts you learn in class. You may work in groups to complete the assignment but each student must turn in their own assignment. You will need to turn in the assignment during class to receive credit. **Late in-class activities will not be accepted.**

If you need to miss a class, you can make-up the in-class activity within one week from the missed class session. If you do not make up the in-class activity within one week, you will receive a zero. **In order to make-up an in-class activity, you must provide me with advanced written notice (before class time) that you will miss the class.** I will not accept notification provided to me via another student. Students who contact be during class cannot make up the in-class activity.

Those who receive approval to make-up the assignment must come during my office hours or make an appointment to make up the assignment. You may not take a make-up assignment home or complete it outside the office. Make-up assignments cannot be completed as group assignments. Make-up assignments will not be sent via email. Students are not allowed to complete an in-class activity early.

Advanced notice is not required for medical emergencies; however, **you must provide written documentation (on official paper with the date(s)) within one week from the class date.** You will also have one week from the class date to complete the in-class activity. If you do not complete the assignment within one week you will receive a zero.

**I reserve the right to prohibit students who arrive more than 5 minutes late to class from completing the in-class activity that day or to give them a late penalty.**

Exams

There will be three exams covering the reading assignments, lab work, class activities, and classroom discussions. You will have one hour and 10 minutes to complete the exam.

If you have to miss an exam due to an employment or military obligation, you must provide me with official documentation showing the date(s) of the scheduling

---

1 Clarification on one week: Make-up assignments/exams must be completed before the next week’s class session, i.e. if you miss class on Tuesday, June 26, you have until Tuesday, July 3, at 10:59a to complete it. Similarly, if you miss class on Thursday, June 28, you have until Thursday, July 5 at 10:59a to complete it.
conflict by the end of the previous class session. When you provide the documentation, make sure you clearly state that you want to make up the exam. I will not accept verbal or written notification provided to me via another student. You will have one week from the exam session to make up the exam. If you do not make up the exam within one week from the exam session, you will receive a zero. Exams must be taken early if the make-up will occur more than a week after the exam date.

Students who arrive 5-10 minutes late to the exam will receive a 5-point deduction in their grade. Students who arrive more than 10 minutes late will not be able to take the exam.

Note: Make-up exams will be in the format of true/false, fill in the blank and short answer. Make-up exams must be arranged with the Testing Center (https://www.tamuct.edu/departments/testing-center/). If an appointment cannot be made with the Testing Center, you must make an appointment to take it during my office hours.

Advanced notice is not required for medical emergencies; however, you must provide written documentation (on official paper with the date(s)) within one week from the exam date. You will also have one week from the exam date to complete the make-up exam. Arrangements to make up the exam must be made through the TAMUCT Testing Center (https://www.tamuct.edu/departments/testing-center/). If an appointment cannot be made with the Testing Center, you must make an appointment to take it during my office hours.

If you cannot attend class on August 9 due to a work or military obligation, you must provide advanced, written, official documentation with the date(s) of conflict. You will have until August 11 at 1:30p to complete the final exam.

GRADING

Final grades will not be curved. Grades will be posted on Canvas within approximately one week. Students will be notified if it will take longer to post the grades.

---

2 Clarification on the previous class session: if the exam is on Thursday, June 21, you must provide official documentation to me by the end of class on Tuesday, June 19. Likewise, if the exam is on Tuesday, July 10, you must provide official documentation to me by the end of class on Thursday, July 5.
Your final grade will be weighted. Guidance on how to calculate your weighted grade may be found on Canvas/Modules/Additional Resources/General Resources.

<table>
<thead>
<tr>
<th>Number of points</th>
<th>Percentage of Grade</th>
</tr>
</thead>
<tbody>
<tr>
<td>In-Class Assignments</td>
<td>~15 points/each (~165 total)</td>
</tr>
<tr>
<td>Labs</td>
<td>20 points/each (80 total points)</td>
</tr>
<tr>

911 Cellular

Emergency Warning System for Texas A&M University-Central Texas

911 Cellular is an emergency notification service that gives Texas A&M University-Central Texas the ability to communicate health and safety emergency information quickly via email, text message, and social media. All students are automatically enrolled in 911 Cellular through their myCT email account.

Connect at 911 Cellular (https://portal.publicsafetycloud.net/Texas-AM-Central/alert-management) to change where you receive your alerts or to opt out. By staying enrolled in 911 Cellular, university officials can quickly pass on safety-related information, regardless of your location.

DROP POLICY

If you discover that you need to drop this class, you must complete a Drop Request Form (https://www.tamuct.edu/registrar/docs/Drop_Request_Form.pdf).

Professors cannot drop students; this is always the responsibility of the student. The Registrar's Office will provide a deadline on the Academic Calendar for which the form must be completed, signed and returned. Once you return the signed form to the Registrar's Office, you must go into Warrior Web and confirm that you are no longer enrolled. If you still show as enrolled, FOLLOW-UP with the Registrar’s Office immediately. You are to attend class until the procedure is complete to avoid penalty for absence. Should you miss the drop deadline or fail to follow the procedure, you will receive an F in the course, which may affect your financial aid and/or VA educational benefits.

TUTORING

Tutoring is available to all A&M-Central Texas students, both on-campus and online. Subjects tutored on campus include Accounting, Advanced Math, Biology, Finance, Statistics, Mathematics, and Study Skills. Tutors are available at the Tutoring Center in Warrior Hall, Suite 111.

If you have a question regarding tutor schedules, need to schedule a tutoring session, are interested in becoming a tutor, or have any other question, contact Academic Support Programs at (254) 519-5796, or by emailing Dr. DeEadra Albert-Green at decadra.albertgreen@tamuct.edu.

Chat live with a tutor 24/7 for almost any subject from on your computer! Tutor.com is an online tutoring platform that enables A&M-Central Texas students to log in and
receive FREE online tutoring and writing support. This tool provides tutoring in over
40 subject areas. Access Tutor.com through Canvas.

THE UNIVERSITY WRITING CENTER

Located in 416 Warrior Hall, the University Writing Center (UWC) at Texas A&M University-Central Texas is a free workspace open to all TAMUCT students from 10am-4pm Monday-Thursday during the summer with online hours available Monday-Thursday from 6:00-9:00pm. Students may arrange a one-on-one session with a
trained and experienced writing tutor by visiting the UWC during normal operating hours (both half-hour and hour sessions are available) or by making an appointment via WCONline at (https://tamuct.mywconline.com/). In addition, you can email Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu to schedule an online tutoring session. Tutors are prepared to help writers of all levels and abilities at any stage of the writing process.

While tutors will not write, edit, or grade papers, they will assist students in
developing more effective composing practices. By providing a practice audience for
students’ ideas and writing, our tutors highlight the ways in which they read and
interpret students’ texts, offering guidance and support throughout the various stages
of the writing process. In addition, students may work independently in the UWC by
checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by
consulting our resources on writing, including all of the relevant style guides. Whether
you need help brainstorming ideas, organizing an essay, proofreading, understanding
proper citation practices, or just want a quiet place to work, the University Writing
Center is here to help!

If you have any questions about the University Writing Center, please do not hesitate to
contact Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu.

UNIVERSITY LIBRARY

The University Library provides many services in support of research across campus
and at a distance. We offer over 200 electronic databases containing approximately
250,000 eBooks and 82,000 journals, in addition to the 85,000 items in our print
collection, which can be mailed to students who live more than 50 miles from campus.
Research guides for each subject taught at A&M-Central Texas are available through
our website to help students navigate these resources. On campus, the library offers
technology including cameras, laptops, microphones, webcams, and digital sound
recorders.
Research assistance from a librarian is also available 24 hours a day through our online chat service, and at the reference desk when the library is open. Research sessions can be scheduled for more comprehensive assistance, and may take place on Skype or in-person at the library. Assistance may cover many topics, including how to find articles in peer-reviewed journals, how to cite resources, and how to piece together research for written assignments.

Our 27,000-square-foot facility on the A&M-Central Texas main campus includes student lounges, private study rooms, group work spaces, computer labs, family areas suitable for all ages, and many other features. Services such as interlibrary loan, TexShare, binding, and laminating are available. The library frequently offers workshops, tours, readings, and other events. For more information, please visit our Library website (http://tamuct.libguides.com/index).

A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don’t agree with their behaviors and tell survivors we will support them. Your actions matter. Don’t be a bystander; be an agent of change. For additional information on campus policy and resources visit the Title IX webpage (https://www.tamuct.edu/departments/compliance/titleix.php).

IMPORTANT UNIVERSITY DATES

June 2018

Fri, 1st | Minimester ends
Fri, 1st | Priority Deadline to Submit Graduation Application
Fri, 1st | Tuition and Fee Payment Deadline (10-week, 8-week, 1st 5 week sessions)
Mon, 4th | Class begins (1st 5 week, 10 week and 8 week)
Mon, 4th | ADD/DROP/LATE REGISTRATION BEGINS (10-week, 8-week, & 1st 5-week sessions) ($25 fee assessed for late registrants)

Thu, 7th | Last day to drop 1st 5-week classes with no record

Mon, 11th | Last day to drop 8-week classes with no record

Tue, 12th | Last day to drop 10-week classes with no record

Fri, 22nd | Last day to drop a 1st 5-week class with a Q or withdraw with a W

Fri, 22nd | Student End of Course Survey Opens (1st 5-Week Classes)

Fri, 29th | Deadline for Admissions applications

Fri, 29th | Deadline for submission of final committee-edited theses with committee approval signatures to Office of Graduate Studies

Fri, 29th | Last day to drop a 8-week class with a Q or withdraw with a W

July 2018

2nd-6th | Finals Week First 5 week session

Mon, 2nd | Deadline to submit application to Teacher Education Program

Wed, 4th | Independence Day

Thu, 5th | Last day to withdraw from the university (1st 5-week session students)

Fri, 6th | 1st 5 week classes end

Fri, 6th | Deadline to Submit Graduation Application for Ceremony Participation

Sun, 8th | Student End of Course Survey Opens (1st 5-Week Classes)

Mon, 9th | 2nd 5 week classes begin

Mon, 9th | Grades due from faculty by 3pm (1st 5 week classes)

Mon, 9th | ADD/DROP/LATE REGISTRATION (2nd 5-week sessions) ($25 fee assessed for late registrants)

Thu, 12th | Last day to drop 2nd 5-week classes with no record

Fri, 13th | Student End of Course Survey Open (8-Week Classes)

Fri, 20th | Last day to drop a 10-week class with a Q or withdraw with a W

23rd-27th | Finals Week - Summer 8 week session

Fri, 27th | Last day to drop a 2nd 5-week class with a Q or withdraw with a W
Fri, 27th | Last day to withdraw from the University (8 weeks session students)

Fri, 27th | 8 week classes end

Fri, 27th | Deadline for submission of final committee-edited theses with committee approval signatures to Office of Graduate Studies

Sun, 29th | Student End of Course Survey Close (8-Week Classes)

Sun, 29th | Student End of Course Survey Opens (10-Week and 2nd 5-Week Classes)

Mon, 30th | Grades due from faculty by 3pm (8 week classes)

August 2018

Wed, 1st | GRE/GMAT scores due to Office of Graduate Studies

6th-10th | Finals Week - 10 week and Second 5 week sessions

Fri, 10th | Last day to file for Degree Conferral (Registrar’s Office) ($20 Late Application Fee applies)

Fri, 10th | Last day to withdraw from the university (10-week & 2nd 5-week session students)

Fri, 10th | 10 week and 2nd 5 week classes end

Fri, 10th | Last day to apply for $1000 Tuition Rebate for Summer graduation (5pm)

Sat, 11th | Commencement (TBD)

Sun, 12th | Student End of Course Survey Close (10-Week and 2nd 5-Week Classes)

Tue, 14th | Grades due from faculty by 3pm (10 week & 2nd 5 week classes)

Tue, 14th | Last Day to clear Thesis Office
