COURSE INFORMATION

COURSE DESCRIPTION
Study effective organizational processes in prek-12 schools. Special emphasis on learning organization strategies, exemplary leadership practices, and collaborative action tools that support the development of a flexible and creative culture continuously engaged in school improvement. Prerequisite(s): Admission to program and approval of program coordinator.

In five e-learn sections, students pay close attention to issues of approach and strategy that may be used in creating a flexible and creative organizational structure in prek-12 schools. Five exemplary leadership practices (Kouzes & Posner, 2017) and the five disciplines of a learning organization (Senge, et al; 2012) as they relate to school culture (Kaplan & Owings, 2013) provide the “spine” for course learning.

STUDENT LEARNING OUTCOMES (STATE STANDARDS ALIGNMENT)
Students will be able to build a collaborative, capacity-building culture through use of the following:

1. Integrate personal mastery as a foundational goal of personal learning for all members of the learning organization. (A6, A7, A10, D1, D2, F2, F4, F8)
2. Diagnose and transform mental models to build common ground around organizational direction, purpose, values, and work in the school community. (A1, A8, A10, A12)

REQUIRED READING/TEXTBOOKS/KNOWLEDGE BASE
This course utilizes the principles and concepts associated with initiating and sustaining a flexible and generative collaborative culture focused on learning. The following are required textbooks (*texts new to this course). Specific reading assignments are in this syllabus and on Canvas. A bibliography is on Canvas.

COURSE REQUIREMENTS

ASSIGNMENTS/ASSESSMENTS (SLO ALIGNMENT)

**Online Reflective Dialogues** (SLO #1-7)  
(40 pts each = 160 pts – due dates below)

Students will engage in a series of multi-day, online dialogue sessions via the Canvas concerning concepts found in our class texts and readings about learning organizations, exemplary leadership practices, leadership capacity, and culture re-boot. Students will respond to the observations/observations of other students, creating a virtual conversation concerning ideas related to the dialogue concept topic. Students are expected to provide honest, thoughtful responses that are reflective of prior readings and experiences. Specific facilitation assignments are included on the course Canvas site.  
(assignment assessment: 160 pts/Collaborative Participation Assessment Rubric)

The online dialogues are:

- **6.4-6.9** Modeling the Way with Personal Mastery in a Quadrant 4 Learning Organization  
  K/P ch 3&4; Senge pp 7-28, 55-86, 319-340 (skim pp 32-54 for industrial age schooling)

- **6.18-6.23** Setting Direction Amidst Mental Models in a Quadrant 4 Learning Organization  
  K/P ch 5&6; Senge pp 86-114, 341-371

- **7.2-7.9** Enabling Others in High Performance Teams in a Quadrant 4 Learning Organization  
  K/P ch 9&10; Senge pp 115-123; Conzemius/Oneill intro, Pt I &II, & Action Learning from 5300

- **7.16-23** Challenging the Process with Systems Thinking in a Quadrant 4 Learning Organization  
  K/P ch 7&8; Senge pp 123-151; Herasymowych/Senko sect 1-6

**Culture Re-Boot Planning Journal** (SLO #1-7) (40 pts each entries 1, 2, 3 due 6.16, 7.1, 7.15; 60 pts – entry 4 due 8.4)

Utilizing the course text *Culture Re-Boot* and other resources, each student will diagnose and plan for re-boot of his/her current school culture. Specific directions for each journal entry is available on course Canvas site.  
(assessment of learning: 180 pts/Written Product Assessment Rubric – APA required)

**NOTE:** The Culture Re-Boot Journal #4 assignment is one of several program benchmarks that will be placed in your student record as evidence that you are making progress towards principal certification. You will want to pay close attention to the assignment description, the written product rubric, and your APA manual to ensure that you submit a quality paper.

**Personal and Shared Foundation Statements** (100 pts total)

- **Educational Platform Statement** (SLO #1, 3, 6, 7)  
  (20 pts – due 6.12)

  Each student will develop and present his/her own educational platform. Before beginning this assignment, each student should make a list of his or her core values review EDLD 5300 Core Values Activity). Anchoring a leadership philosophy and the daily actions of leadership practice, the Educational Platform reflects the values and beliefs about leadership work. It is essential that the platform show theory to practice through the leader’s actions. Then, develop an educational platform using the 13 planks (attached in Canvas) as a guide. And remember that educational platforms are a work in progress and should be periodically revisited and updated. If this is your first time to share your platform in writing, don't be too hard on yourself. Getting it down the first time is hard work. As appropriate, APA format should be used in preparing the paper. Platforms should be no more than 2 pages in length and formatted for power. Educational platforms are a work in progress and should be periodically revisited and updated. Students will share their platforms with class peers.  
(assessment for learning: 20 pts/Written Product Assessment Rubric)

- **Personal Mission Statement** (SLO #1, 3, 6, 7)  
  (20 pts – due 6.12)

  Each student will be responsible for preparing a personal mission statement. Although a personal mission statement covers many roles in an individual’s life, a portion of the personal mission statement should address the professional question of “what I would offer to a school or school district as an educational leader.” Students will share their personal mission statements with class peers. The personal mission statement is to be included in the professional portfolio. Students may find information about creation of a mission statement on the Franklin/Covey website (http://www.frankincovey.com/missionbuilder/). As appropriate, APA format should be used in preparing the statement.  
(assessment for learning: 20 pts/Written Product Assessment Rubric)
• **Personal Vision of a Quality School Statement** (SLO #1, 3, 6, 7)  
(20 pts – due 6.12)  
Each student will be responsible for preparing a personal vision statement that paints a clear and detailed picture in words of his/her vision of an ideal learning situation for students, staff, and community. Students will share their personal vision statements with class peers. **The personal vision statement is to be included in the professional portfolio.** As appropriate, APA format should be used in preparing the statement. (assessment for learning: 20 pts/Written Product Assessment Rubric)

• **Shared Organizational Foundation Statements** (SLO #3, 6)  
(40 pts – due 7.29)  
Gather a 4- to 7-member team of leaders at your school for a one-hour meeting about direction, purpose, and culture. Ask them to jot down some notes before they come about their professional values, personal missions, and personal visions of what your school could become. Ask them also to think about how things get done around your school (culture). At the meeting, first share your demographic profile from EDAK 501. When talking about where we are headed, it is important to talk first about where we are now. Ask your principal (or designee) to share some of the external expectations that the school is mandated to meet. Then, build an Affinity Diagram. Ask everyone to share their specific thoughts (one to a post-it with different colors for values, mission, vision, and culture/how things get done) about the foundational areas. Place the post-its on a flat surface and ask group members to collaboratively group “like” post-its in each foundational area and see if they can write a summary statement from the post-it notes. Does the outcome match the current foundational statements of the school? Discuss. The four foundational summary statements should be placed in one document for posting on Bb and include an introduction about the importance development and utilization of shared foundational statements along with your reflections about the process you facilitated. (assessment of learning: 40 pts/Written Product Assessment Rubric)

**Unison School Case Study Project**  
(100 pts total – assignment descriptions/due dates below)  
Students will work with other class members in small learning community group settings to complete several case study assignments. The case study situation is similar to what principals might meet within their administrative practice related to issues of cultural change. After discussion of the case, each team will submit the following:

• **Mental Model Ladders of Inference** (SLO #2, 6, 7)  
(20 pts – due 6.25)  
Utilizing class readings and additional research, case study groups will collaboratively develop and share accountability for two ladders of inference - one for the views of more traditional older teachers and another for the new teachers - related to mental models at Unison School. As a group, review what you know about mental models and ladders of inference (Senge et al pp 97-104 and 369-71). Use any additional research and readings that you find on the concepts. Then, collaboratively develop and share accountability for two ladders of inference - one for the views of more traditional older teachers and another for the new teachers - related to mental models at Unison School. Don't miss any rungs on the ladders! The ladders of inference should be included in an APA-style paper focused on the learning organization discipline of mental models and the use of ladders of inference. The paper should include the following parts: an introduction to mental models and ladders of inference; separate descriptions of the two teacher groups and their ladders of inference about other group, ways to use advocacy and inquiry to shift mental models, and a conclusion analyzing the use/worth of ladders of inference in relation to mental models. (assessment for learning: 20 pts/Written Product Assessment Rubric)

• **High Performance SMART Team Analysis and Plan Forward** (SLO #4, 6, 7)  
(40 pts – due 7.12)  
Utilizing relevant resources, your Unison School case study group will collaboratively prepare an analysis and plan for an adhoc team of new and veteran teachers to focus on learning about more engaging and effective instructional strategies at Unison School and eventually providing a plan for professional development for the faculty. Open the group paper with (1) an introduction about the worth of high performance SMART teams, then (2)
describe the new/veteran team situation in and Unison School issues; (3) diagnose possible dysfunctions of the new/veteran team (Lencioni, 2002); (4) get the team organized with a charter, purpose, stakeholders, responsibilities, guidelines for behavior, and at least two SMART goals (Conzemius & O’Neill, 2014, ch 1-3); (5) discuss how a protocol such as action learning will be used to accomplish team learning (Herasymowych & Senko, 2008, Solving Real Problems in Real Time Action Learning Guide); (6) describe how at least four group tools (one each from chapters 4, 5, 6, and 7 of Conzemius and O’Neill’s SMART School Teams text) will be used to move the adhoc teamwork forward; and (7) provide a conclusion summarizing what your group has learned about the work of high performance teams/team learning in relation to the reality you experience each day. The Analysis and Plan should be written in APA format (first person okay).

(assessment for learning: 40 pts /Written Product Assessment Rubric)

- **Technical Systems Analysis and Plan** (SLO #5, 6, 7) (40 pts – due 7.29)
  Utilizing the systems thinking course text by Herasymowych and Senko and a provided template, your case study group will develop a technical systems analysis/plan to leverage systems change at Unison School. The issue your group will tackle is the lack of collaboration and shared learning between veteran and new teachers at Unison School and the effect on student success. Be sure to map the systems archetypes present in the situation, select the best possible leverage points, and develop a leverage matrix and action plan to create positive improvement in the system. Use the attached template and the attached example to help you. Each group will turn in the completed template including systems maps, leverage points, and an action plan. (assessment for learning: 40 pts/template)

**Professional e-Portfolio Collection – Vision Section Additions** (SLO #1-7) (40 pts – due 8.8)
Expand your professional portfolio collection that you started in EDLD 5300 Foundations of Educational Leadership by developing the section for the concept Vision (see your 5300 syllabus if you need a reminder about the portfolio). Write and include in your e-portfolio a one-page reflective anchoring essay about Vision (related to principal standard #A/school culture) just as you did for Integrity in EDLD 5300. APA style should be used as appropriate. Locate and include in your e-portfolio two artifacts and completed reflection forms showing evidence of your knowledge, skill, and values related to Vision and principal standard #A/school culture.
(assessment of learning: 40 pts/professional portfolio rubric)

**School e-Portfolio Collection – Leadership Section Additions** (SLO #1-7) (40 pts – due 8.8)
Based on the Leadership sections in both the School Portfolio and the School Portfolio Toolkit (Bernhardt) course texts, expand your School Portfolio collection case study started in EDLD 5301 Research in Educational Leadership by developing the Leadership section. Complete and include the following: the scored Leadership continuum (rubric rated by highlighting), the accompanying Leadership story based on current reality at your school (customize school portfolio writing template for leadership), any items you find that are on the Leadership items list and support the current Leadership story, and any additional items that you have included to support the Leadership story.
(assessment of learning: 40 pts/ school portfolio rubric)

**Mentor Consultations/Reflections** (SLO #1-7) (40 points each/120 points total – due 6.18, 7.15, 8.10)
Principal mentors are in a pivotal position to guarantee the success of the School Leadership Candidate by providing coaching support in the school setting. The three (3) mentor consultations are facilitated by the student: set agendas, set meeting times and locations, interview principals using focusing questions (the WHAT), make notes of the session (SO WHAT), and write reflections (NOW WHAT). Each principal consultation will align with specific e-learn focus areas that have just been completed and a look forward to the next e-learn focus. The third mentor consultation should also include a preview the next semester's courses (EDLD 5355 Leadership of Diverse Learning Communities & EDLD 5316 Leadership of Effective
Learning). A Mentor Consultation Record/Reflections template is provided in Canvas. (assessment for learning: 40 pts/agenda-reflection template)

FIT2LEAD CONTINUOUS IMPROVEMENT ANALYSIS & PLANNING (SLO #1-7) (40 pts – due 8.10)
Beginning in EDLD 5300, each student in the program will complete an ongoing analysis of personal strengths and challenges related to the state-identified school leadership standards and skills (19TAC §241.15). Utilizing the reflective FIT2LEAD format, students will share their own “read” and that of their mentor principal as well as other colleagues related to the state principal standards studied in 5339 and 5345 during the semester. Additionally, the student, the mentor, and any other colleagues will assess discrete leadership skills using the SCHOOL LEADERSHIP COMPETENCY INVENTORY. Students will complete all sections of the FIT2LEAD CONTINUOUS IMPROVEMENT ANALYSIS & PLANNING template: FeedBack, FeedForward, and GrowForward. (assessment of learning: 40 pts/analysis and planning template completion)

GRADING CRITERIA RUBRIC AND CONVERSION
The instructor will determine grades for the course assignments and assessments through the use the assignment criteria and assessment rubrics outlined in this syllabus. Rubrics may be found on the next two pages. Instructor, self, and peer evaluation will be utilized as means of assessing growth and learning. Assignments turned in from 1-3 days after the posted due date are subject to a maximum of 45% reduction of points based on the date received by the instructor. Assignments that are more than 3 days late may not be accepted. In no case should materials be those submitted for another course. Missing a f2f Saturday class session is not a reason to miss an assignment. A grade of Incomplete (I) will not be given except in extremely unusual cases. You are expected to attend and participate in f2f class sessions AND complete and submit all assignments to be eligible for an A in the course. A grade of C may result in retaking the course. Point system may be revised if necessary to accommodate unexpected changes in the course schedule. The instructor reserves the right to amend the syllabus at any time.

To earn the grade of A, students must earn a total of 90% or a minimum of 702 of 780 points on the following learning assignments/assessments. For a grade of B, a total of 80% or a minimum of 634 of 780 points must be earned. Maximum points for each assignment are in ()

- Personal Foundation Statements (3x20=60 points)
- Shared Foundation Statements (40 points)
- Culture Re-Boot Journal Entries (3x40+60=180 points)
- Online Reflective Dialogues Supporting Course Concepts (4x40=160 points)
- Three Case Study Assignments (20+40+40=100 points)
- Vision section additions to Professional e-Portfolio Collection (40 pts)
- Leadership section additions to School e-Portfolio Collection (40 pts)
- Mentor Reflections (3x40=120 pts)
- Fit2Lead Continuous Improvement Analysis & Planning (40 pts)

POSTING OF GRADES
Grades will be posted using the Grade Center tool on the Canvas course site.

A NOTE about POLICY STATEMENT Concerning Sexual Violence at TAMUCT:
Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don’t agree with their behaviors and tell survivors we will support them. Your actions matter. Don’t be a bystander; be an agent of change. For additional information on campus policy and resources visit the Title IX webpage [https://www.tamuct.edu/departments/compliance/titleix.php].
