Connect Homework (310 points)
Practicing problems prepares you for the exams and for the CPA exam. In order to incentivize you to do your homework I have made it part of your grade. McGraw Hill Connect allows you to get feedback in a timely manner. All homework assignments are done in McGraw Hill connect. Each assignment has three attempts. After each attempt you will receive feedback. You will only receive answers to the questions after the third attempt/ after you turn the homework in. The homework is graded for accuracy so do not do three attempts in order to get the answer since whatever score you have on your last attempt is the score you will receive.

CAFR

Exams (1100 points):
There are three midterms and one final. I will drop one exam. Therefore, if one of the exams is missed for any reason, it will be dropped. To be fair to those students that did not miss any exams, the lowest exam grade will be dropped.

OPTIONAL POLICY STATEMENTS:
A Note about Sexual Violence at A&M-Central Texas
Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don’t agree with their behaviors and tell survivors we will support them. Your actions matter. Don’t be a bystander; be an agent of change. For additional information on campus policy and resources visit the Title IX webpage [https://www.tamuct.edu/departments/compliance/titleix.php].

INSTRUCTOR POLICIES.
Important Grading Notes: * This class does not utilize make-up exams. I will drop one exam of the in-class exams (not the take home exam). Therefore, if one of the in-class exams is missed for any reason, it will be dropped. To be fair to those students that did not miss any exams, the lowest exam grade will be dropped.
