

NURS 3307-110, CRN# 60018, Health Assessment

Fall 2019

Texas A&M University-Central Texas

COURSE DATES, MODALITY AND LOCATION

August 26, 2019-December 13, 2019

Mode of Instruction and course access:

This is a 100% online course, and uses the A&M-Central Texas Canvas Learning Management System [https://tamuct.instructure.com/].

*You will also use the Shadow Health Virtual patient program you purchased. **The course pin for this semester is 2462-9709-1436-3305***

INSTRUCTOR AND CONTACT INFORMATION

Instructor: Katie Sanders, DNP, RN

Office: Heritage Hall
Room 302 b

Phone: 254-519-5718

Email: Canvas course for content question, c.pena@tamuct.edu for all other questions

Office Hours: Monday-Wednesday 10-2 or by appointment. Phone appointments upon request.

Student-instructor interaction:

Emails and messages within Canvas; students may expect a response within 24 to 48 hours Monday-Thursday. Students are expected to check emails a minimum of twice weekly for announcements, assignment updates, or any other messages corresponding to the course. You may also update Canvas settings to send announcements and emails to your personal or TAMUCT email account. See the Canvas Guides for instructions.

Office hours may also include synchronous online student's learning and serving as a resource person to guide the student in the learning process.

Warrior Shield:

Emergency Warning System for Texas A&M University – Central Texas

Warrior Shield is an emergency notification service that gives Texas A&M University-Central Texas the ability to communicate health and safety emergency information

quickly via email, text message, and social media. All students are automatically enrolled in Warrior Shield through their myCT email account.

Connect at [911Cellular](https://portal.publicsafetycloud.net/Texas-AM-Central/alert-management) [https://portal.publicsafetycloud.net/Texas-AM-Central/alert-management] to change where you receive your alerts or to opt out. By staying enrolled in 911Cellular, university officials can quickly pass on safety-related information, regardless of your location.

COURSE INFORMATION

Course Overview and Description

This Health Assessment Course introduces the concepts and techniques of health and cultural assessment of individuals and families across the life span, for use with the nursing process. Emphasis is on history/data collection and critical analysis in situations of health and deviations from health. Twenty (20) hours of practical experiences enable students the practice of clinical assessment skills, analysis, and decision-making for nursing practice. Pre- or co-requisite: NURS 3300 (3)

We will be using the Shadow Health Digital Clinical Experience (DCE) software to practice and complete an adult history and physical assessment. Below are some resources for your support. You will purchase this product, much like a text book. You may get it from our bookstore and receive an access code to enter when you register on the Shadow Health web site, or enter payment at that time with a credit card number.

- Shadow Health Website: <http://app.shadowhealth.com/>
- Link to Shadow Health Support: <http://support.shadowhealth.com>
- Course registration PIN for Students: **2462-9709-1436-3305**

Course Objective:

By the end of this course the student will be able to demonstrate a physical assessment using designated criteria and document the results.

Student Learning Outcomes

1. Apply critical thinking skills, information technologies, and therapeutic communication skills to conduct holistic assessments of individuals across the lifespan.
2. Critically appraise data discovered during the health history and physical examination of individuals to identify degrees of wellness and real or potential problems.
3. Recognize how the health of individuals is affected by various factors, such as, culture, race, religion, gender, sexual orientation, lifestyle, socio-economic, and age.

4. Examine the role and responsibilities of evidenced-based professional nursing practice as they relate to the processes of health assessment and health promotion.
5. Demonstrate proficient nursing skills in conducting a holistic health history and the comprehensive physical assessment of the well individual with a focus on changes that occur throughout the life of an individual due to the aging process.

Competency Goals Statements: from The Essentials of Baccalaureate Education for Professional Nursing Practice, American Association of Colleges of Nursing (2008).

Essential I: Liberal Education as the Basis for Clinical Decision Making
Essential VII: Clinical Prevention and Population Health
Essential IX: Baccalaureate Generalist Nursing Practice

Required Reading and Textbooks:

There is no required textbook for this course. Any Health Assessment reference material may be utilized as review. Library resources for health assessment are embedded into the Canvas Course modules.

Shadow Health Digital Clinical Experience (DCE) software:

<http://app.shadowhealth.com/>

COURSE REQUIREMENTS

Students have the Option of “Flexible Turn In” for Assignments in Shadow Health. This allows you to determine which attempt you would like to submit for grading. Instructions on how to turn in an attempt are located at: <https://support.shadowhealth.com/hc/en-us/articles/360004578773>

Student Account Setup

Students can create their accounts by visiting <http://app.shadowhealth.com/> and enrolling in your course with this course-specific PIN:

Fall2019-2462-9709-1436-3305

Course Setup

Make sure your students have access to these sites to ensure a smooth start to the semester:

- Shadow Health Website: <http://app.shadowhealth.com/>
- Student Account Setup Guide: <https://support.shadowhealth.com/hc/en-us/articles/360004579173-How-to-Register-with-Shadow-Health>
- Technical Requirements: <https://support.shadowhealth.com/hc/en-us/articles/360004558353-DCE-Minimum-System-Specifications>
- Link to Shadow Health Support: <https://support.shadowhealth.com/>
- Course Registration PIN for Students: **Fall2019-2462-9709-1436-3305**

Assignment	Post-Exam Activities (general estimated total time at 60 min)	Grade
DCE Orientation	n/a	Complete/incomplete
Conversation Concept Lab	n/a	10 points
Health History	Information Processing, Hallway, and Self-Reflection	100 points
HEENT	Hallway, Lifespan, Review Questions, and Self-Reflection	100 points
Respiratory Concept Lab	n/a	10 points
Respiratory	Hallway, Lifespan, Review Questions, and Self-Reflection	100 points
Cardiovascular Concept Lab	n/a	10 points
Cardiovascular	Hallway, Lifespan, Review Questions, and Self-Reflection	100 points
Abdominal Concept Lab	n/a	10 points
Abdominal	Hallway, Lifespan, Review Questions, and Self-Reflection	100 points
Musculoskeletal	Hallway, Lifespan, Review Questions, and Self-Reflection	100 points
Neurological	Hallway, Lifespan, Review Questions, and Self-Reflection	100 points
Skin, Hair, and Nails	Hallway, Lifespan, Review Questions, and Self-Reflection	100 points
Comprehensive Assessment		100 points

Assignments:

Module 1:

Complete the Shadow Health (SH) Orientation (Complete/Incomplete)

Assignment 1 (10 points)

In Shadow Health (SH) complete the Conversation Concept Lab.

Associated student learning outcomes:

Recognize how the health of individuals is affected by various factors, such as, culture, race, religion, gender, sexual orientation, lifestyle, socio-economic, and age.

Assignment 2 (100 points)

In SH complete a Health History including documentation on an adult.

Associated student learning outcomes:

1. Critically appraise data discovered during the health history and physical examination of individuals to identify degrees of wellness and real or potential problems.
2. Demonstrate proficient nursing skills in conducting a holistic health history and the comprehensive physical assessment of the well individual with a focus on changes that occur throughout the life of an individual due to the aging process.

Module 2:**Assignment 3 (100 points)**

In SH, complete a Skin, Hair & Nails assessment on an adult.

Associated student learning outcomes:

1. Apply critical thinking skills, information technologies, and therapeutic communication skills to conduct holistic assessments of individuals across the lifespan.
2. Recognize how the health of individuals is affected by various factors, such as, culture, race, religion, gender, sexual orientation, lifestyle, socio-economic, and age.

Assignment 4 (100 points)

In SH, complete an assessment of the Head, Eye, Ears, Nose and Throat of an adult.

Associated student learning outcomes:

1. Apply critical thinking skills, information technologies, and therapeutic communication skills to conduct holistic assessments of individuals across the lifespan.
2. Recognize how the health of individuals is affected by various factors, such as, culture, race, religion, gender, sexual orientation, lifestyle, socio-economic, and age.

Module 3**Assignment 5 (10 points)**

In SH, practice the skills in the Respiratory Concept Lab

Associated student learning outcomes:

Examine the role and responsibilities of evidenced-based professional nursing practice as they relate to the processes of health assessment and health promotion.

Assignment 6 (100 points)

In SH, Complete a respiratory assessment on an adult.

Associated student learning outcomes:

1. Apply critical thinking skills, information technologies, and therapeutic communication skills to conduct holistic assessments of individuals across the lifespan.
2. Recognize how the health of individuals is affected by various factors, such as, culture, race, religion, gender, sexual orientation, lifestyle, socio-economic, and age.

Module 4

Assignment 7 (10 points)

In SH, practice the skills in the Cardiovascular Concept Lab

Associated student learning outcomes:

Examine the role and responsibilities of evidenced-based professional nursing practice as they relate to the processes of health assessment and health promotion.

Assignment 8 (100 points)

In SH, complete a cardiovascular assessment on an adult.

Associated student learning outcomes:

1. Apply critical thinking skills, information technologies, and therapeutic communication skills to conduct holistic assessments of individuals across the lifespan.
2. Recognize how the health of individuals is affected by various factors, such as, culture, race, religion, gender, sexual orientation, lifestyle, socio-economic, and age.

Module 5

Assignment 9 (10 points)

In SH, practice the skills in the Abdominal concept Lab

Associated student learning outcomes:

Examine the role and responsibilities of evidenced-based professional nursing practice as they relate to the processes of health assessment and health promotion.

Assignment 10 (100 points)

In SH, complete an abdominal assessment on an adult.

Associated student learning outcomes:

1. Apply critical thinking skills, information technologies, and therapeutic communication skills to conduct holistic assessments of individuals across the lifespan.
2. Recognize how the health of individuals is affected by various factors, such as, culture, race, religion, gender, sexual orientation, lifestyle, socio-economic, and age.

Module 6

Assignment 11 (100 points)

In SH, complete an Musculoskeletal assessment on an adult.

Associated student learning outcomes:

1. Apply critical thinking skills, information technologies, and therapeutic communication skills to conduct holistic assessments of individuals across the lifespan.
2. Recognize how the health of individuals is affected by various factors, such as, culture, race, religion, gender, sexual orientation, lifestyle, socio-economic, and age.

Assignment 12 (100 points)

In SH, complete an Neurological assessment on an adult.

Associated student learning outcomes:

3. Apply critical thinking skills, information technologies, and therapeutic communication skills to conduct holistic assessments of individuals across the lifespan.
4. Recognize how the health of individuals is affected by various factors, such as, culture, race, religion, gender, sexual orientation, lifestyle, socio-economic, and age.

Module 7

Final Physical Assessment of an adult (100 points)

30% of your final grade. Must pass demonstration to pass the course. No late final assessment will be considered. **Only one attempt allowed**

Associated student learning outcomes:

1. Demonstrate proficient nursing skills in conducting a holistic health history and the comprehensive physical assessment of the well individual with a focus on changes that occur throughout the life of an individual due to the aging process.
2. Examine the role and responsibilities of evidenced-based professional nursing practice as they relate to the processes of health assessment and health promotion.

Grading Criteria Rubric and Conversion-Must earn a grade of "C" or higher to pass the course.

5.1 Assignments	60%
5.2 Concept Labs	10%
5.3 Final assessment demonstration	30%

A=90-100
 B=80-89
 C=70-79
 D=60-69
 F=59 or below

Late Assignments:

Assignments are due on the date and time outlined in the course schedule and syllabus. A 10% deduction will be taken for each day an assignment is past the due date. After three days, a grade of 0 will be entered into the gradebook for that assignment. This includes all labs, digital clinical experiences and exams. Exceptions will be granted at faculty discretion and only if arrangements were made prior to the due date.

Posting of Grades:

All student grades will be posted on the Canvas Grade book and in Shadow Health. Students should monitor their grading status often in Canvas and report to the instructor any discrepancies. Faculty graded assignments and will be posted within 7 days after the due date and time.

COURSE OUTLINE AND CALENDAR:

TECHNOLOGY REQUIREMENTS AND SUPPORT

This course will use the TAMUCT Canvas Learn learning management system for class communications, content distribution, and grades.

Logon to <https://tamuct.Canvas.com> to access the course.

Username: Your MyCT username (xx123 or everything before the "@" in your MyCT e-mail address)

Initial password: Your MyCT password

For this course, you will need reliable and frequent access to a computer and reliable internet connection.

Shadow Health will be used for practice with the physical assessment skills and testing. Shadow Health works best with [FireFox, or Chrome](#) if you will be using the "Speech to Text" function. Canvas will also work well in FireFox and Chrome.

Canvas Support.

Use the Canvas Help link, located at the bottom of the left-hand menu, for issues with Canvas. You can select "Chat with Canvas Support," submit a support request through "Report a Problem," or call the Canvas support line: 1-844-757-0953.

For issues related to course content and requirements, contact your instructor.

Other Technology Support

For log-in problems, students should contact Help Desk Central.

24 hours a day, 7 days a week:

Email: helpdesk@tamu.edu

Phone: (254) 519-5466

[Web Chat](http://hdc.tamu.edu): [http://hdc.tamu.edu]

Please let the support technician know you are an A&M-Central Texas student.

Shadow Health Help Desk

M-F 9 am to 6 pm ET

Sat-Sun 12 pm – 9 pm ET

800-860-3241

UNIVERSITY RESOURCES, PROCEDURES, AND GUIDELINES

Drop Policy.

If you discover that you need to drop this class, you must complete a [Drop Request Form](#)

[https://www.tamuct.edu/registrar/docs/Drop_Request_Form.pdf].

Professors cannot drop students; this is always the responsibility of the student. The Registrar's Office will provide a deadline on the University Calendar for which the form must be completed, signed and returned. Once you return the signed form to the Registrar's Office, you must go into Warrior Web and confirm that you are no longer enrolled. If you still show as enrolled, FOLLOW-UP with the Registrar's Office immediately. You are to attend class until the procedure is complete to avoid penalty for absence. Should you miss the drop deadline or fail to follow the procedure, you will receive an F in the course, which may affect your financial aid and/or VA educational benefits.

Academic Integrity.

Texas A&M University -Central Texas values the integrity of the academic enterprise and strives for the highest standards of academic conduct. A&M-Central Texas expects its students, faculty, and staff to support the adherence to high standards of personal and scholarly conduct to preserve the honor and integrity of the creative community. Academic integrity is defined as a commitment to honesty, trust, fairness, respect, and responsibility. Any deviation by students from this expectation may result in a failing grade for the assignment and potentially a failing grade for the course. Academic misconduct is any act that improperly affects a true and honest evaluation of a student's academic performance and includes, but is not limited to, cheating on an examination or other academic work, plagiarism and improper citation of sources, using another student's work, collusion, and the abuse of resource materials. All academic misconduct concerns will be reported to the university's Office of Student Conduct. Ignorance of the university's standards and expectations is never an excuse to act with a lack of integrity. When in doubt on collaboration, citation, or any issue, please contact your instructor before taking a course of action.

For more [information regarding the Student Conduct process](#),

[<https://tamuct.campuslabs.com/engage/organization/tamuct-student-conduct-panel>].

If you know of potential honor violations by other students, you may [submit a report](#), [https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=0].

Academic Accommodations.

At Texas A&M University-Central Texas, we value an inclusive learning environment where every student has an equal chance to succeed and has the right to a barrier-free education. The Office of Access and Inclusion is responsible for ensuring that students with a disability receive equal access to the university's programs, services and activities. If you believe you have a disability requiring reasonable accommodations

please contact the Office of Access and Inclusion, WH-212; or call (254) 501-5836. Any information you provide is private and confidential and will be treated as such.

For more information please visit our [Access & Inclusion](https://tamuct.instructure.com/courses/717) Canvas page (log-in required) [https://tamuct.instructure.com/courses/717]

Important information for Pregnant and/or Parenting Students.

Texas A&M University-Central Texas supports students who are pregnant and/or parenting. In accordance with requirements of Title IX and related guidance from US Department of Education's Office of Civil Rights, the Dean of Student Affairs' Office can assist students who are pregnant and/or parenting in seeking accommodations related to pregnancy and/or parenting. Students should seek out assistance as early in the pregnancy as possible. For more information, please visit the [Student Affairs](https://www.tamuct.edu/student-affairs/index.html) web page [https://www.tamuct.edu/student-affairs/index.html]. Students may also contact the institution's Title IX Coordinator. If you would like to read more about these [requirements and guidelines online](http://www2.ed.gov/about/offices/list/ocr/docs/pregnancy.pdf), please visit the website [http://www2.ed.gov/about/offices/list/ocr/docs/pregnancy.pdf].

Title IX of the Education Amendments Act of 1972 prohibits discrimination on the basis of sex and gender—including pregnancy, parenting, and all related conditions. A&M-Central Texas is able to provide flexible and individualized reasonable accommodation to pregnant and parenting students. All pregnant and parenting students should contact the Associate Dean in the Division of Student Affairs at (254) 501-5909 to seek out assistance. Students may also contact the University's Title IX Coordinator.

Tutoring.

Tutoring is available to all A&M-Central Texas students, both on-campus and online. On-campus subjects tutored include Accounting, Advanced Math, Biology, Finance, Statistics, Mathematics, and Study Skills. Tutors are available at the Tutoring Center in Warrior Hall, Suite 111.

If you have a question regarding tutor schedules, need to schedule a tutoring session, are interested in becoming a tutor, or any other question, contact Academic Support Programs at 254-519-5796, or by emailing Larry Davis at Imdavis@tamuct.edu.

Chat live with a tutor 24/7 for almost any subject on your computer! Tutor.com is an online tutoring platform that enables A&M-Central Texas students to log-in and receive FREE online tutoring and writing support. This tool provides tutoring in over forty subject areas. Access Tutor.com through Canvas.

The University Writing Center.

Located in Warrior Hall 416, the University Writing Center (UWC) at Texas A&M University–Central Texas (TAMUCT) is a free workspace open to all TAMUCT students from 10:00 a.m.-5:00 p.m. Monday thru Thursday with satellite hours in the University Library Monday thru Thursday from 6:00-9:00 p.m. This semester, the UWC is also offering online only hours from 12:00-3:00 p.m. on Saturdays.

Students may arrange a one-on-one session with a trained and experienced writing tutor by visiting the UWC during normal operating hours (both half-hour and hour sessions are available) or by making an appointment via [WCOOnline](https://tamuct.mywconline.com/) at [https://tamuct.mywconline.com/]. In addition, you can email Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu for any assistance needed with scheduling.

Tutors are prepared to help writers of all levels and abilities at any stage of the writing process. While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students' ideas and writing, our tutors highlight the ways in which they read and interpret students' texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

If you have any questions about the UWC, please do not hesitate to contact Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu.

University Library.

The University Library provides many services in support of research across campus and at a distance. We offer over 200 electronic databases containing approximately 250,000 eBooks and 82,000 journals, in addition to the 72,000 items in our print collection, which can be mailed to students who live more than 50 miles from campus. Research guides for each subject taught at A&M-Central Texas are available through our website to help students navigate these resources. On-campus, the library offers technology including cameras, laptops, microphones, webcams, and digital sound recorders.

Research assistance from a librarian is also available twenty-four hours a day through our online chat service, and at the reference desk when the library is open. Research sessions can be scheduled for more comprehensive assistance, and may take place on Skype or in-person at the library. Assistance may cover many topics, including how to find articles in peer-reviewed journals, how to cite resources, and how to piece together research for written assignments.

Our 27,000-square-foot facility on the A&M-Central Texas main campus includes student lounges, private study rooms, group work spaces, computer labs, family areas suitable for all ages, and many other features. Services such as interlibrary loan, TexShare, binding, and laminating are available. The library frequently offers workshops, tours, readings, and other events. For more information, please visit our [Library website](https://tamuct.libguides.com/) [https://tamuct.libguides.com/].

OPTIONAL POLICY STATEMENTS:

A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at A&M-Central Texas, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Counseling Services (254-501-5956) located on the second floor of Warrior Hall.

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/departments/compliance/titleix.php) [https://www.tamuct.edu/departments/compliance/titleix.php].

INSTRUCTOR POLICIES.

Instructor's Personal Statement

Welcome to Physical Assessment. This assessment course is a step above what you probably had in your Associates program. The course is not designed to be on the level of an independent nurse practitioner, but somewhere in between. The final assessment will be more involved than an inpatient daily assessment and will be completed on a virtual patient in the Shadow Health program.

Copyright Notice.

Students should assume that all course material is copyrighted by the respective author(s). Reproduction of course material is prohibited without consent by the author and/or course instructor. Violation of copyright is against the law and Texas A&M University-Central Texas' Code of Academic Honesty. All alleged violations will be reported to the Office of Student Conduct.
