COURSE REQUIREMENTS/METHODS OF EVALUATION EMPLOYED

Self-Reflection Counseling Beliefs Paper (10 points): Self-discovery and reflection are keystones of the counseling profession. The purpose of the self-reflection paper is to enable consideration of intersections among beliefs about yourself, your worldview (including concepts of spiritual and / or religious truths), your view of human nature, and the ethical obligations and responsibilities of professional counselors.

- Paper will be 4-5 pages (**APA formatting; page requirement does not include the cover page; no abstract required**);
- Address the following areas:
 - What role does the counselor play in the counseling process?
 - How do people change?
 - What are your personality characteristics and / or experiences that will make you an effective counselor?
 - What are your biases or judgments that may interfere with you becoming an effective counselor?

Integrative Theory Paper (30 points): Integrate your knowledge of theories and conceptualize an integrative theory that fits your personality and belief system (world view) about human growth and development. Reflect on how your personal counseling beliefs have changed or remained the same from your initial self-reflection counseling beliefs paper. Combining this reflection with your knowledge of counseling theories, describe and justify an integrative theory that fits with your personality and belief system (world view) about human growth and development.

- Paper should be 7-9 pages (**APA formatting; page requirement does not include the cover page, abstract, or reference section**);
- Describe your integrative theory (should be 2 or more existing theories) in relation to the population you hope to work with:
 - Which existing theories influenced your integrative theory?
 - How does your integrative theory align / misalign with your worldview and how do you reconcile any areas of disconnection?
 - What aspects of your integrative theory do you find particularly relevant?
 - How do you see the therapeutic relationship forming within this theory?
 - How do you measure progress using your theoretical model?
 - How do you see your integrative theoretical model evolving over time?

Theory Summaries (3 points each x 10 theories = 30 points)

- Each summary should be 2-3 pages (**APA formatting; include cover page & reference page but no abstract**);
- Describe how change occurs;
- Describe the counselor's role in the theory;
- Name and describe at least one counseling technique commonly associated and used within this theory to promote change.
- Watch the assigned video for the week – summarize and evaluate – what were your thoughts on the video and the theories demonstrated (some summaries will not have a related video)
- Videos can be accessed online through the university library, databases, psychotherapy.net [<http://www.psychotherapy.net/stream/tamuct>]
- Use the following topic subheadings and concisely but thoroughly examine the theory:

- How Change Occurs
- The Counselor's Role
- Common Theory Technique(s)
- Summary & evaluation of video assigned for the week (if applicable)

Midterm Exam and Final Exam (15 points each = 30 points): Two exams worth 15 points each will be given during the course. The midterm will cover the first 8 chapters and the final will cover the remaining chapters. The exams will be multiple choice and available via the Canvas platform. You will be given 3 hours to complete the exam and it must be completed in one sitting.

****Alternative Assignment (3 points):** APA formatting is required throughout this course and other courses in the CMHC program. Students can earn 3 points this semester by visiting the **University Writing Center** with a rough draft of a paper and meet with a **UWC** tutor to review APA formatting as well as professional writing techniques. These points can be used in lieu of a theory summary. To receive credit for one theory summary (3 points), the student must email the instructor with the date, time, and name of tutor they met with at the UWC and the rough draft that was reviewed. <https://www.tamuct.edu/coas/coas-special-topics/uwc.html>

University Writing Center

Located in Warrior Hall 416, the University Writing Center (UWC) at Texas A&M University-Central Texas (TAMUCT) is a free workspace open to all TAMUCT students from 10:00 a.m.-5:00 p.m. Monday thru Thursday with satellite hours in the University Library Monday thru Thursday from 6:00-9:00 p.m. This semester, the UWC is also offering online only hours from 12:00-3:00 p.m. on Saturdays.

Tutors are prepared to help writers of all levels and abilities at any stage of the writing process. While tutors will not write, edit, or

grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students' ideas and writing, our tutors highlight the ways in which they read and interpret students' texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

Students may arrange a one-on-one session with a trained and experienced writing tutor by visiting the UWC during normal operating hours (both half-hour and hour sessions are available) or by making an appointment via [WCOonline](#). In addition, you can email Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu if you have any questions about the UWC and/or need any assistance with scheduling.

University Library

The University Library provides many services in support of research across campus and at a distance. We offer over 200 electronic databases containing approximately 250,000 eBooks and 82,000 journals, in addition to the 85,000 items in our print collection, which can be mailed to students who live more than 50 miles from campus. Research guides for each subject taught at A&M-Central Texas are available through our website to help students navigate these resources. On campus, the library offers technology including cameras, laptops, microphones, webcams, and digital sound recorders.

Research assistance from a librarian is also available 24 hours a day through our online chat service, and at the reference desk when the library is open. Research sessions can be scheduled for more comprehensive assistance, and may take place on Skype or in-person at the library. Assistance may cover many topics, including how to find articles in peer-reviewed journals, how to cite resources, and how to piece together research for written assignments.

Our 27,000-square-foot facility on the A&M-Central Texas main campus includes student lounges, private study rooms, group work spaces, computer labs, family areas suitable for all ages, and many other features. Services such as interlibrary loan, TexShare, binding, and laminating are available. The library frequently offers workshops, tours, readings, and other events. OPTIONAL POLICY STATEMENTS:

A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/departments/compliance/titleix.php) [<https://www.tamuct.edu/departments/compliance/titleix.php>].
