INSTRUCTOR POLICIES

Attendance/Grading Policy

The student is expected to attend each meeting of the ensemble. An absence will be recorded if the student misses **fifteen minutes** of the meeting time. In case of a student's absence, the policy will be as follows:

Each student will receive one free absence. Each absence after that will result in the student's grade being lowered by one letter.

Five or more absences will result in the student receiving an F for the semester and the student will not be allowed to perform with the ensemble.

Missing the Dress Rehearsal (the rehearsal immediately preceding the semester performance) will result in the lowering of the course grade by 2 full letters.

If the student is absent from any performance, the student will receive an F for the semester and will not be allowed to attend rehearsal or perform with the ensemble again.

Two tardies will be treated as one absence!

LEAVING EARLY WILL ALSO BE COUNTED AS AN ABSENCE!!

If a student is being disruptive during a rehearsal, that student will be asked to leave and

an **absence will be recorded** in the grade book. **ABSOLUTELY ALL CELL PHONES MUST BE TURNED OFF PRIOR TO ANY REHEARSAL AND CONCERT!!!**

Regular and punctual class attendance is expected at TAMU-CT since it is assumed that students are enrolled for the serious purpose of furthering their education. Excessive absenteeism is defined as being equivalent to two weeks of instruction in a sixteen week semester and may result in the receipt of a failing grade or involuntary withdrawal from the course.

At the discretion of the instructor or as may be required by THECB (Texas Higher Education Coordinating Board) policy and law, the attendance policy for certain courses may be more stringent than the general policy. Students are responsible for reviewing the first day handout for each class and for knowing the attendance requirements.

Further, the college empowers individual faculty members to effect the withdrawal of a student from any course in which s/he has failed to meet attendance expectations. Faculty members are encouraged, but not required, to notify students in jeopardy of being withdrawn from a course. However, since attendance is absolutely the responsibility of the student, such notification is a courtesy, not a requirement. Administrative withdrawal for excessive absence is the prerogative of the faculty member and, as such, students are encouraged to contact their teachers and/or the Admissions Office to confirm enrollment status.

MUSIC/MATERIALS

The student must come to rehearsal with **at least one good pencil with eraser**. All music and additional materials will be provided by the college. If music is lost or destroyed, the student will be responsible for replacement cost (**a minimum \$20.00 charge for each lost piece of music**). If payment is not received before the end of the current semester, a block will be placed on the student's records until the bill is paid in full.

Once you return the signed form to the Registrar's Office, you must go into Warrior Web and confirm that you are no longer enrolled. Should you miss the drop deadline or fail to follow the procedure, you will receive an F in the course, which may affect your financial aid and/or VA educational benefits.

University Writing Center

Located in Warrior Hall 416, the University Writing Center (UWC) at Texas A&M University–Central Texas (TAMUCT) is a free workspace open to all TAMUCT students from 10:00 a.m.-5:00 p.m. Monday thru Thursday with satellite hours in the University Library Monday thru Thursday from 6:00-9:00 p.m. This semester, the UWC is also offering online only hours from 12:00-3:00 p.m. on Saturdays.

Tutors are prepared to help writers of all levels and abilities at any stage of the writing process. While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students' ideas and writing, our tutors highlight the ways in which they read and interpret students' texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

Students may arrange a one-to-one session with a trained and experienced writing tutor by visiting the UWC during normal operating hours (both half-hour and hour sessions are available) or by making an appointment via [WCOonline](https://tamuct.mywconline.com/) [https://tamuct.mywconline.com/]. In addition, you can email Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu if you have any questions about the UWC and/or need any assistance with scheduling.

University Library

The University Library provides many services in support of research across campus and at a distance. We offer over 200 electronic databases containing approximately 250,000 eBooks and 82,000 journals, in addition to the 85,000 items in our print collection, which can be mailed to students who live more than 50 miles from campus. Research guides for each subject taught at A&M-Central Texas are available through our website to help students navigate these resources. On campus, the library offers technology including cameras, laptops, microphones, webcams, and digital sound recorders.

Research assistance from a librarian is also available 24 hours a day through our online chat service, and at the reference desk when the library is open. Research sessions can be scheduled for more comprehensive assistance, and may take place on Skype or in-person at the library. Assistance may cover many topics, including how to find articles in peer-reviewed journals, how to cite resources, and how to piece together research for written assignments.

Our 27,000-square-foot facility on the A&M-Central Texas main campus includes student lounges, private study rooms, group work spaces, computer labs, family areas suitable for all ages, and many other features. A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/departments/compliance/titleix.php) [https://www.tamuct.edu/departments/compliance/titleix.php].
