Goals include an initial examination and comparison of various theories currently employed in the field with an emphasis on interview techniques. Subject areas to be covered include the various schools of family counseling/therapy, along with current trends and issues in marriage and family counseling/therapy.

This course uses lecture, discussion, videotapes, role-play, assigned readings, examinations, **case studies, research/reflection papers, and experiential exercises to explore the marriage, family, and relationship counseling field. Students are encouraged to reflect on their own family and relationship experiences as they may impact their training and practice as professional counselors.**

Mode of instruction and course access:

This course is taught primarily as an integrative hybrid. This means that the majority of this course will make use of in-person approaches that include lecture, seminar, and simulated lab role play. There will be no more than 3 occasions in which the course will meet online, denoted in the syllabus as (ONLINE WEEK). You will be required to post three meaningful responses to the discussion board that are set up. Your postings should reflect insightful and intelligent points. A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if

someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/departments/compliance/titleix.php) [https://www.tamuct.edu/departments/compliance/titleix.php].
