

BIOL 3440-110, CRN 10156, Invertebrate Zoology
Spring 2019 rev. 01.04.2019
Texas A&M University-Central Texas

INSTRUCTOR AND CONTACT INFORMATION

Instructor: Dr. Weiser Erlandson
Office: 302H Heritage Hall
Phone: 254-519-5723
Email: laura.erlandson@tamuct.edu

Mode of instruction and course access:

This will be a 16 week course and will be taught face to face in the classroom. This course uses the A&M-Central Texas Canvas Learning Management System [<https://tamuct.instructure.com>].

Time/Day: Lecture: TR 8:30 – 9:45; Laboratory: T 10:00 – 1:00
Where: Lecture: 316 Warrior Hall; Laboratory: 407 Warrior Hall

Office Hours: Monday: 10:00 – 12:00, Thursday: 10:00 – 12:00

I am also available by appointment; I encourage you to either call or e-mail me so we can find a time that is mutually convenient.

Student-instructor interaction:

You may contact me through email, CANVAS, or stop by my office hours. Expect me to respond back to any emails within 24 hours (business days only). If I do not, please check back with me to be sure that your email was not lost in transit.

911 Cellular: Emergency Warning System for Texas A&M University-Central Texas

911Cellular is an emergency notification service that gives Texas A&M University-Central Texas the ability to communicate health and safety emergency information quickly via email, text message, and social media. All students are automatically enrolled in 911Cellular through their myCT email account.

In an effort to enhance personal safety on the Texas A&M University – Central Texas (TAMUCT) campus, the TAMUCT Police Department has introduced Warrior Shield by 911 Cellular. [Warrior Shield](https://www.tamuct.edu/police/911cellular.html) [<https://www.tamuct.edu/police/911cellular.html>] can be downloaded and installed on your mobile device from Google Play or Apple Store.

Connect at [911Cellular](https://portal.publicsafetycloud.net/Texas-AM-Central/alert-management) [<https://portal.publicsafetycloud.net/Texas-AM-Central/alert-management>] to change where you receive your alerts or to opt out. By staying enrolled in 911Cellular, university officials can quickly pass on safety-related information, regardless of your location.

COURSE INFORMATION

Course Overview and description: Learn the biology, ecology, taxonomy and comparative anatomy of animals within the invertebrate phylum. Analyze live and preserved specimens in the field and laboratory. Prerequisite(s): [BIOL 1407](#).

Course Objective:

Student Learning Outcomes:

Students will:

- a. understand the biology and diversity of invertebrate animals
- b. be familiar with taxonomic characters and identification of invertebrate phyla
- c. appreciate the importance and role invertebrates have in ecosystems

Required Reading and Textbook(s):

- a. Pechenik, J. A. 2014. *Biology of the Invertebrates*, 7th edition. McGraw-Hill. ISBN: 978-0073524184
- b. Wallace, R.L. and Taylor, W.K. 2002. *Invertebrate Zoology Lab Manual*, 6th ed. Benjamin Cummings. ISBN: 978-0130429377
- c. Students who have laboratories in Warrior Hall (rms. 407, 410, 413) are required to purchase a laboratory coat from the TAMUCT Hanik Bookstore in Founder's Hall. Due to the nature of chemicals used in Heritage Hall, lab coats will be provided for these laboratories.

*I expect you to read the corresponding chapters in your textbook before coming to class.

Other Readings: I feel that it is important for you to explore cutting edge research in Biology; therefore, I may assign additional papers from primary literature from time to time.

COURSE REQUIREMENTS

Course Assessments:

- 30% Three lecture exams
- 25% Final Comprehensive Exam
- 20% Insect Collection
- 25% Two Laboratory Practical Exams
- 5% Assignments

Weekly Assignments:

Written outline of chapter due in class the day said chapter is to be discussed (i.e. write the outline BEFORE we discuss it in class)

Insect Collection:

Each student will submit an insect collection showing the diversity of the Class Insecta

(details are found further in this syllabus).

Mandatory Laboratory Safety Training:

- All students are **required** to take the mandatory Laboratory Safety Training Module - found on in your Modules tab in CANVAS.
- You must take the training and **bring the signed "Safety Agreement Form"** to your instructor **before you are allowed in lab!!!**
- This is **YOUR RESPONSIBILITY** - any lab absences because you have not taken the training will be considered **unexcused!**

Grading scheme

A 4.00 (90 +) Achievement that is outstanding relative to the level necessary to meet course requirements.

B 3.00 (80-89%) Achievement that is significantly above the level necessary to meet course requirements.

C 2.00 (70-79%) Achievement that meets the course requirements in every respect.

D 1.00 (60-69%) Achievement that is worthy of credit even though it fails to meet fully course requirements.

F 0.00 (<60%) Represents failure and signifies that the work was either (1) completed but at a level of achievement that is not worthy of credit or (2) was not completed and there was no agreement between the instructor and the student that the student would be awarded an "I" (incomplete).

I (Incomplete) The "I" shall be assigned at the discretion of the instructor when, due to extraordinary circumstances, the student was prevented from completing the work of the course on time. The assignment of an "I" requires a written agreement between the instructor and student specifying the time and manner in which the student will complete the course requirements. In no event may any such written agreement allow a period of longer than one year to complete the course requirements. For graduate and professional students, an "I" is to remain on the transcript until changed by the instructor or department. For all other students, work to make up an I must be submitted within one year of the last day of final examinations of the term in which the "I" was given; if not submitted by that time, then the "I" will automatically change to an F. ***To obtain an incomplete you must have been doing passing work in the course***

Posting of Grades

- Grades will be posted on CANVAS as I am finished with my evaluation of your work.

WEEKLY COURSE OUTLINE AND CALENDAR (subject to change)

1. Week of January 14
 - a. Lecture Topic: Phylogeny and Classification
 - i. Chapters 1 and 2 Pechenik
 - b. Laboratory: Laboratory Safety / Phylogeny and classification
2. Week of January 21

- a. Lecture Topic: Protists/Poriferans & Placozoans
 - i. Chapters 3 and 4 Pechenik
 - b. Laboratory: The Protists
3. Week of January 28
 - a. Lecture Topic: Cnidarians / Exam I (Thursday 1-4)
 - i. Chapters 5 and 6 Pechenik
 - b. Laboratory: Phylum Porifera
4. Week of February 4
 - a. Lecture Topic: Platyhelminths
 - i. Chapter 8 Pechenik
 - b. Laboratory: Phylum Cnidaria
5. Week of February 11
 - a. Lecture Topic: Mollusca
 - i. Chapter 12 Pechenik
 - b. Laboratory: Phylum Platyhelminths
6. Week of February 19
 - a. Lecture Topic: Annelida
 - i. Chapter 13 Pechenik
 - b. Laboratory: Phylum Mollusca
7. Week of February 25
 - a. Lecture Topic: The Arthropods / Exam II (Thursday 5, 6, 8, 12, 13)
 - i. Chapter 14 Pechenik
 - b. Laboratory: Review for Practical Exam
8. Week of March 4
 - a. Lecture Topic: The Arthropods
 - i. Chapter 14 Pechenik
 - b. Laboratory: Practical Exam 1
9. Week of March 11 – *Spring Break*
10. Week of March 19
 - a. Lecture Topic: Nematoda
 - i. Chapters 16 and 17 Pechenik
 - b. Laboratory: Annelida
11. Week of March 25
 - a. Lecture Topic: Phyla of uncertain affiliation
 - i. Chapter 18 Pechenik
 - b. Laboratory: Arthropoda I
12. Week of April 1
 - a. Lecture Topic: Lophophorates
 - i. Chapter 19 Pechenik

- b. Laboratory: Arthropoda II
- 13. Week of April 8
 - a. Lecture Topic: The Echinoderms / Exam III (14, 16, 17, 18, 19)
 - i. Chapter 20 Pechenik
 - b. Laboratory: Arthropoda III
- 14. Week of April 15
 - a. Lecture Topic: Hemichordata
 - i. Chapter 21 Pechenik
 - b. Laboratory: Nematoda
- 15. Week of April 22
 - a. Lecture Topic: The nonvertebrate chordates
 - i. Chapter 22 Pechenik
 - b. Laboratory: Echinodermata
- 16. Week of April 29
 - a. Lecture Topic: Invertebrate reproduction and development
 - i. Chapter 23 Pechenik
 - b. Laboratory: Review for Practical Exam II
- 17. Week of May 6
 - a. Lecture Topic: Comprehensive Final Exam (Thursday)
 - b. Laboratory: Practical Exam II

Important University Dates:

| | |
|-------------------|---|
| January 2, 2019 | Priority Deadline for Spring Admissions applications |
| January 10, 2019 | Convocation |
| January 11, 2019 | Deadline for Tuition and Fee Payments (16- & First 8-Week Classes) |
| January 14, 2019 | Add, Drop, and Late Registration Begins for 16- and First 8-Week. \$25 fee assessed for late registrants. |
| January 14, 2019 | Classes Begin for Spring Semester |
| January 16, 2019 | Deadline for Add, Drop, and Late Registration for 16- and First 8-Week Classes |
| January 21, 2019 | Martin L. King Jr. Day (University Closed) |
| January 22, 2019 | Deadline to Drop First 8-Week Classes with No Record |
| January 30, 2019 | Deadline to Drop 16-Week Classes with No Record |
| February 22, 2019 | Student End of Course Survey Opens (First 8-Week Classes) |
| February 22, 2019 | Deadline to Drop First 8-Week Classes with a Quit (Q) or Withdraw (W) |
| March 1, 2019 | Deadline for Graduation Application for Spring Ceremony Participation |
| March 1, 2019 | Deadline for Teacher Education and Professional Certification Applications (i.e. Principal, Reading Specialist, etc.) |
| March 8, 2019 | Classes End for First 8-Week Session |
| March 8, 2019 | Deadline for Spring Admissions Applications |

| | |
|----------------|---|
| March 10, 2019 | Student End of Course Survey Closes (First 8-Week Classes) |
| March 11, 2019 | Spring Break – No Class (University Open) |
| March 11, 2019 | Deadline for Faculty Submission of First 8-Week Final Class Grades (due by 3pm) |
| March 12, 2019 | Spring Break – No Class (University Open) |
| March 13, 2019 | Spring Break – No Class (University Open) |
| March 14, 2019 | Spring Break – No Class (University Open) |
| March 15, 2019 | Deadline for Tuition and Fee Payments (Second 8-Week Classes) |
| March 15, 2019 | Deadline for Clinical Teaching Applications |
| March 15, 2019 | Spring Break – No Class (University Open) |
| March 18, 2019 | Add, Drop, and Late Registration Begins for Second 8-Week Classes. \$25 fee assessed for late registrants. |
| March 18, 2019 | Classes Begin for Second 8-Week Session |
| March 20, 2019 | Deadline for Add, Drop, and Late Registration for Second 8-Week Classes |
| March 25, 2019 | Deadline to Drop Second 8-Week Classes with No Record |
| April 1, 2019 | Deadline for GRE/GMAT Scores to Office of Graduate Studies |
| April 5, 2019 | Deadline to Drop 16-Week Classes with a Quit (Q) or Withdraw (W) |
| April 12, 2019 | Deadline for Final Committee-Edited Theses with Committee Approval Signatures to Office of Graduate Studies for Spring Semester |
| April 26, 2019 | Student End of Course Survey Opens (16- and Second 8-Week Classes) |
| April 26, 2019 | Deadline to Drop Second 8-Week Classes with a Quit (Q) or Withdraw (W) |
| May 10, 2019 | Deadline for Applications for \$1,000 Tuition Rebate for Spring Graduation (5pm) |
| May 10, 2019 | Deadline for Degree Conferral Applications to the Registrar’s Office. \$20 Late Application Fee. |
| May 10, 2019 | Deadline to Withdraw from the University for 16- and Second 8-Week Classes |
| May 10, 2019 | Spring Semester Ends |
| May 11, 2019 | Commencement Ceremony Bell County Expo Center 7:00 p.m. |
| May 12, 2019 | Student End of Course Survey Closes (16- and Second 8-Week Classes) |
| May 14, 2019 | Deadline for Faculty Submission of 16-Week and Second 8-Week Final Class Grades (due by 3pm) |
| May 14, 2019 | Deadline for Thesis to Clear Thesis Office for Spring Semester |

TECHNOLOGY REQUIREMENTS AND SUPPORT

Technology Requirements

This course will use the A&M-Central Texas Instructure Canvas learning management system.

Logon to A&M-Central Texas Canvas [<https://tamuct.instructure.com/>] or access Canvas through the TAMUCT Online link in myCT [<https://tamuct.onecampus.com/>]. You will log in through our Microsoft portal.

Username: Your MyCT email address. Password: Your MyCT password

Canvas Support

Use the Canvas Help link, located at the bottom of the left-hand menu, for issues with Canvas. You can select “Chat with Canvas Support,” submit a support request through “Report a Problem,” or call the Canvas support line: 1-844-757-0953. For issues related to course content and requirements, contact your instructor.

Other Technology Support

For log-in problems, students should contact Help Desk Central. 24 hours a day, 7 days a week:

Email: helpdesk@tam.u.edu

Phone: (254) 519-5466

[Web Chat](http://hdc.tam.u.edu): [http://hdc.tam.u.edu]

Please let the support technician know you are an A&M-Central Texas student.

UNIVERSITY RESOURCES, PROCEDURES, AND GUIDELINES

Drop Policy.

If you discover that you need to drop this class, you must complete a [Drop Request Form](https://www.tamuct.edu/registrar/docs/Drop_Request_Form.pdf) [https://www.tamuct.edu/registrar/docs/Drop_Request_Form.pdf].

Professors cannot drop students; this is always the responsibility of the student. The Registrar’s Office will provide a deadline on the Academic Calendar for which the form must be completed, signed and returned. Once you return the signed form to the Registrar’s Office, you must go into Warrior Web and confirm that you are no longer enrolled. If you still show as enrolled, FOLLOW-UP with the Registrar’s Office immediately. You are to attend class until the procedure is complete to avoid penalty for absence. Should you miss the drop deadline or fail to follow the procedure, you will receive an F in the course, which may affect your financial aid and/or VA educational benefits.

Academic Integrity.

Texas A&M University -Central Texas values the integrity of the academic enterprise and strives for the highest standards of academic conduct. A&M-Central Texas expects its students, faculty, and staff to support the adherence to high standards of personal and scholarly conduct to preserve the honor and integrity of the creative community. Academic integrity is defined as a commitment to honesty, trust, fairness, respect, and responsibility. Any deviation by students from this expectation may result in a failing grade for the assignment and potentially a failing grade for the course. Academic misconduct is any act that improperly affects a true and honest evaluation of a student’s academic performance and includes, but is not limited to, cheating on an examination or other academic work, plagiarism and improper citation of sources, using another student’s work, collusion, and the abuse of resource materials. All academic misconduct concerns will be reported to the university’s Office of Student Conduct. Ignorance of the university’s standards and expectations is never an excuse to act with a lack of integrity. When in doubt on collaboration, citation, or any issue, please contact your instructor before taking a course of

action.

For more [information regarding the Student Conduct process](#),
[<https://tamuct.campuslabs.com/engage/organization/tamuct-student-conduct-panel>].
If you know of potential honor violations by other students, you may [submit a report](#),
[https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=0].

Academic Accommodations.

At Texas A&M University-Central Texas, we value an inclusive learning environment where every student has an equal chance to succeed and has the right to a barrier-free education. The Office of Access and Inclusion is responsible for ensuring that students with a disability receive equal access to the university's programs, services and activities. If you believe you have a disability requiring reasonable accommodations please contact the Office of Access and Inclusion at (254) 519-5797. Any information you provide is private and confidential and will be treated as such.

For more information please visit our [Access & Inclusion](#) web page
[<https://www.tamuct.edu/student-affairs/access-inclusion.html>].

Important information for Pregnant and/or Parenting Students.

Texas A&M University-Central Texas supports students who are pregnant and/or parenting. In accordance with requirements of Title IX and related guidance from US Department of Education's Office of Civil Rights, the Dean of Student Affairs' Office can assist students who are pregnant and/or parenting in seeking accommodations related to pregnancy and/or parenting. Students should seek out assistance as early in the pregnancy as possible. For more information, please visit the [Student Affairs](#) web page
[<https://www.tamuct.edu/student-affairs/index.html>]. Students may also contact the institution's Title IX Coordinator. If you would like to read more about these [requirements and guidelines online](#), please visit the website
[<http://www2.ed.gov/about/offices/list/ocr/docs/pregnancy.pdf>].

Title IX of the Education Amendments Act of 1972 prohibits discrimination on the basis of sex and gender—including pregnancy, parenting, and all related conditions. A&M-Central Texas is able to provide flexible and individualized reasonable accommodation to pregnant and parenting students. All pregnant and parenting students should contact the Associate Dean in the Division of Student Affairs at (254) 501-5909 to seek out assistance. Students may also contact the University's Title IX Coordinator.

Tutoring.

Tutoring is available to all A&M-Central Texas students, both on-campus and online. Subjects tutored on campus include Accounting, Advanced Math, Biology, Finance, Statistics, Mathematics, and Study Skills. Tutors are available at the Tutoring Center in Warrior Hall, Suite 111.

If you have a question regarding tutor schedules, need to schedule a tutoring session, are

interested in becoming a tutor, or have any other question, contact Academic Support Programs at (254) 519-5796, or by emailing Dr. DeEadra Albert-Green at deeadra.albertgreen@tamuct.edu.

Chat live with a tutor 24/7 for almost any subject from on your computer! Tutor.com is an online tutoring platform that enables A&M-Central Texas students to log in and receive FREE online tutoring and writing support. This tool provides tutoring in over 40 subject areas. Access Tutor.com through Canvas.

University Writing Center.

Located in Warrior Hall 416, the University Writing Center (UWC) at Texas A&M University–Central Texas (TAMUCT) is a free workspace open to all TAMUCT students from 10:00 a.m.-5:00 p.m. Monday thru Thursday with satellite hours in the University Library Monday thru Thursday from 6:00-9:00 p.m. This semester, the UWC is also offering online only hours from 12:00-3:00 p.m. on Saturdays.

Tutors are prepared to help writers of all levels and abilities at any stage of the writing process. While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students' ideas and writing, our tutors highlight the ways in which they read and interpret students' texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

Students may arrange a one-on-one session with a trained and experienced writing tutor by visiting the UWC during normal operating hours (both half-hour and hour sessions are available) or by making an appointment via [WOnline](#). In addition, you can email Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu if you have any questions about the UWC and/or need any assistance with scheduling.

University Library.

The University Library provides many services in support of research across campus and at a distance. We offer over 200 electronic databases containing approximately 250,000 eBooks and 82,000 journals, in addition to the 85,000 items in our print collection, which can be mailed to students who live more than 50 miles from campus. Research guides for each subject taught at A&M-Central Texas are available through our website to help students navigate these resources. On campus, the library offers technology including cameras, laptops, microphones, webcams, and digital sound recorders.

Research assistance from a librarian is also available 24 hours a day through our online chat service, and at the reference desk when the library is open. Research sessions can be scheduled for more comprehensive assistance, and may take place on Skype or in-person at

the library. Assistance may cover many topics, including how to find articles in peer-reviewed journals, how to cite resources, and how to piece together research for written assignments.

Our 27,000-square-foot facility on the A&M-Central Texas main campus includes student lounges, private study rooms, group work spaces, computer labs, family areas suitable for all ages, and many other features. Services such as interlibrary loan, TexShare, binding, and laminating are available. The library frequently offers workshops, tours, readings, and other events. For more information, please visit our [Library website](http://tamuct.libguides.com/index) [http://tamuct.libguides.com/index].

OPTIONAL POLICY STATEMENTS:

A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/departments/compliance/titleix.php) [https://www.tamuct.edu/departments/compliance/titleix.php].

INSTRUCTOR POLICIES.

Read these carefully as I am strict with my policies.

Grading Policy and Point Breakdown. Grades in this course will be criteria-based on a number of activities including exams, discussion, and projects. This means that grades will not be curved and anyone achieving a 90% or above will receive an A in this course.

Grade Dispute Policy. Grading disputes must be put in writing (with justification such as supporting statements from the text or another credible source) and given to me no earlier than 24 hours after the assignment has been returned. I will consider your request carefully, but reserve the right to adjust your grade up or down.

Assignments. These will be varied in nature, but will consist of activities that cause the students to reflect upon the state of knowledge of the topic of the week, how that topic is perceived in the media, and/or analysis of specific research projects relevant to the subject. All assignments are to be turned in, on time (i.e. at class time on due date), to the Blackboard website. I will distribute instructions on how to do this. I will not accept e-mailed assignments of any kind.

Late Assignments. I expect all assignments to be turned in on time. Late assignments

interfere with my ability to provide timely, detailed feedback, as well as with your ability to learn and process new material. Accordingly, any unauthorized late assignment will receive a 5% reduction in grade for each day it is late. No assignments will be accepted after it has been graded and returned.

Exams. The exams will be a mixture of matching, multiple choice and short answer, designed to provoke reflection, critical thought, and application of knowledge. You will receive a list of several sample or real exam questions ahead of time. You are encouraged to prepare for the exam by reviewing reading materials, outlining a draft of a response, and discussing these thoughts with your peers. You will then demonstrate your individual, integrated thoughts on the topic in a closed-book exam during the class period.

There will be no bathroom breaks allowed during any exam. Be sure that you address this issue before beginning an exam.

*Any student needing to **take an exam at a different time as rest of students** due to sickness or other accommodations will receive a different version of exam. This includes sickness, special accommodations, etc....*

Accommodated exams. All students needing special accommodations must submit an accommodation form from the Office of Access and Inclusion listing the specific accommodations needed. Students are responsible for scheduling their own exam times with the TAMUCT Testing Center.

Missed exams. If you know you will miss an exam, please contact me BEFORE the exam. I will gladly give make-up exams if the student has an unavoidable reason for missing the exam (i.e. death in the family, severe illness). Keep in mind that I will expect documentation of your reason for missing the exam (e.g. doctor's note, obituary notice). Exams must be made up within a week of the original scheduled date, no exceptions regardless of excuse.

Labs. A maximum of 3 absences will be allowed; additional absences in lab will result in an "F" for the entire course, regardless of excuse.

What I expect of you. To get the most out of this class, you are expected to conduct yourself in a professional manner, which includes contributing to class discussions, being punctual, and notifying me of absences in advance. Any inappropriate or offensive behavior of any kind (in class/lab/office or on assignments/exams) will be subject to a penalty commensurate with behavior.

Class Attendance. I expect that you attend each class session and arrive on time. If an unavoidable situation arises that prevents you from attending class, I expect that you also promptly contact me to discuss the missed material and get the notes from a classmate. I will not distribute my notes to students as they are often abbreviated and do not contain the detail needed to sufficiently understand the material.

What you can expect of me. You can expect me to start and end class on time, be available through office hours, e-mail, and by appointment, be responsive to student suggestions for course improvement, answer questions to the fullest extent possible and/or direct you to appropriate resources, return graded assignments and exams within a reasonable time frame, and treat you with respect as future colleagues.

Discussion. The topics in this class may encompass a diversity of issues that merit in-depth thought and discussion. Since individuals will be expressing their opinions, I expect that will you respect others' contributions, as you would want them to do for you.

Credits and Workload expectations. For undergraduate courses, one credit is defined as equivalent to an average of two hours of learning effort per week (over a full semester) necessary for an average student to receive an average grade for the course. A student taking a four-credit class that meets for four hours a week should expect to spend an additional eight hours a week outside the classroom in order to earn an average grade.

Class Structure. Classes will involve a balance of active lecture and engaging learning activities (either in lab or in class). I believe that students learn the theories and concepts much better when they have an active role. I know that this may be new to some of you, but please keep an open mind and I know that you will get more out of this class because of it.

Copyright Notice.

Students should assume that all course material is copyrighted by the respective author(s). Reproduction of course material is prohibited without consent by the author and/or course instructor. Violation of copyright is against the law and Texas A&M University-Central Texas' Code of Academic Honesty. All alleged violations will be reported to the Office of Student Conduct.

BIOL 3440 — Invertebrate Zoology

INSECT COLLECTION Spring 2019

Name _____

COLLECTION EVALUATION:

| Category | Points Possible | Points Earned |
|---|-----------------|---------------|
| Required Specimens (50 minimum) | 100 | |
| (-1 for each order absent) (-1 for each specimen absent) | | |
| Accuracy | | |
| (-1 for each misidentification) | | |
| Technique of preparation | 25 | |
| (According to accepted procedures) | | |
| Variety | | |
| (Representation of species and modifications within each order) | 25 | |
| Total points | 150 | |

**Texas A&M University – Central Texas reserves the right to retain specimens from the student collections. All returned material will be treated with a fluorescent dye unless a valid request not to do so is submitted by the student.*

Insect Order Checklist:

Indicate how many specimens from each order are represented in your collection (must total at least 50). Required orders are indicated in bold.

| Number | Order | Number | Order | Number | Order |
|--------|--------------------------------------|--------|------------------------------|--------|---|
| | Collembola | | Orthoptera: Caelifera | | Neuroptera |
| | Protura | | Orthoptera: Ensifera | | Coleoptera |
| | Diplura | | Phasmida | | Stresiptera |
| | Archaeognatha | | Dermaptera | | Mecoptera |
| | Zygentoma | | Plecoptera | | Siphonaptera |
| | Ephemeroptera | | Psocoptera | | Diptera |
| | Odonata: Zygoptera | | Anoplura | | Trichoptera |
| | Odonata: Anisoptera | | Mallophaga | | Lepidoptera: Rhopalocera |
| | Blattaria | | Thysanoptera | | Lepidoptera: Heterocera |
| | Mantodea | | Hemiptera | | Hymenoptera: Symphyta |
| | Isoptera | | Homoptera | | Hymenoptera: Apocrita |

BIO 3440 – Invertebrate Zoology

Syllabus Contract

Directions:

- First, read the syllabus.
- Second, read the statement below to confirm your personal reading and understanding of the contents of the syllabus.
- Third, provide confirmation by printing the document and providing your signature and date of completion in the space provided below.
- Last, submit this contract to me. Note that your grade for the first assignment will not be calculated until this contract is received.

I have received a copy of the syllabus. I have read and understand the policies of this course as stated in the syllabus.
